

2018 ODP Girls Thanksgiving Interregional  
November 16-22, Boca Raton FL  
Players and Parents,

Sports Video USA is proud to be the official video service provider at the 2018 US Youth Soccer ODP Girls Thanksgiving Interregional in Boca Raton, FL. Sports Video USA will be on site Nov. 16-22 filming games and offering you, the players, HD streaming links to your filmed games.

The service is very simple. Players that would like their games filmed can contact Sports Video USA at the email below. Sports Video USA then shoots the games entirely in a professional manner by using HD cameras mounted on 30 foot tall tripods. The player then receives a private link to their games (individual link for each game).

For this event, Sports Video USA is offering a special three-game package for \$99, in which players will receive one private and permanent streaming link for each of their three games which will be filmed. Players interested in producing a highlight video with footage from the filmed games can opt to receive an SD card with the original game files for an additional \$30 cost, upon request only (\$129 total cost, shipping included). Links and SD cards will be e-mailed and mailed via USPS (respectively) approximately 10 days after the end of the tournament.

The event is near. If you would like to pre-order/purchase video links for your three games, please e-mail [info@sportsvideousa.com](mailto:info@sportsvideousa.com) with your name, region, and age group. Your games will be filmed, and an order for the uploaded link will be placed. Please be sure to specify if you will want the SD card included as well. You will then receive a confirmation e-mail including payment and other further instructions.

Thank you, and best of luck! Questions or concerns? Please e-mail Conrado Portnoy.
