A player may be rostered to only one team at each level of the National Presidents Cup competitions during a seasonal year. ## **TEAM PARTICIPATION**

Only teams that meet the team eligibility requirements specified in the "US Youth Soccer National Presidents Cup Player & Team Eligibility Levels of Competitions" document are allowed to participate.

## **ROSTERS**

It will be the responsibility of each State Association to provide the East Region Presidents Cup Committee a roster for each team entered in the event. Team rosters shall be entered into the USYS American Eagle system and will be validated by the State Associations.

Roster sizes shall be limited to:

- 12 and Under Age Group: No more than sixteen (16) players on a roster.
- 13 Under through the 18 Under Age Groups: may have a maximum of twenty-two (22) players on their team roster and a maximum of eighteen (18) players on each game roster.

State Associations **MUST** supply a roster reflecting the players registered for the State level event, which the East Region Presidents Cup Committee may use to determine compliance with the US Youth Soccer National Presidents Cup Player & Team Eligibility rules.

A maximum of four (4) Team officials (coach, assistant coaches, manager, trainer) may be on the team roster. Only the listed team officials, wearing their Presidents Cup team bench credentials, will be allowed on the team sideline.

Each player and team official listed on the team's roster must carry the US Youth Soccer member pass. The member pass issued to a player shall identify the club by name or other appropriate means of identification. The US Youth Soccer member pass must carry a current photograph of the player or team official, as the case may be, and be signed by the appropriate official of the state association.

A team's Regional Presidents Cup competitions roster is set at the beginning of its State Qualifying event. A team must demonstrate continuity of rosters between the State Qualifying event and every level of the National Presidents Cup competitions by maintaining a minimum of 9 players common to that roster of the team at every level of the competition.

All information listed on the roster must be verified by the appropriate official of the State Association and signed by that official for each level of the National Presidents Cup.

## **TOURNAMENT MANAGEMENT / UNUSUAL SITUATIONS / MATTERS NOT PROVIDED FOR**

All questions relating to the qualifications of competitors, interpretation of the rules, or any other dispute or protest concerning the East Region Presidents Cup competition shall be referred to the East Region Presidents Cup Committee. All decisions of the East Region Presidents Cup Committee are final.

The East Region Presidents Cup Committee has the authority to modify any of the Rules of the Competition as deemed necessary to ensure the orderly progression of the event. The East Region Presidents Cup Committee shall also determine any matter not provided for in any East Region Presidents Cup rule, policy or procedure. Any decision of the East Region Presidents Cup Committee shall be final.

## DISCIPLINE

Players ejected, or team personnel removed from a match shall be automatically suspended for the next match. The East Region Presidents Cup committee will review all such dismissals and may impose additional penalties, suspensions or other punishment depending on the circumstances and severity of the infraction.

Players ejected from a match may continue to sit in the technical/bench area unless removed by the referee for inappropriate behavior once they have been sent to the bench.

If a player is removed from the technical/bench area they must be accompanied by a credentialed team staff member. A East Region Presidents Cup committee member, Tournament official or State representative will escort the player and team staff member to a waiting area.

Team personnel dismissed must leave the vicinity of the field before the match will be restarted.

Players who are serving a disciplinary suspension may occupy the bench in the technical area while dressed in street clothes. If additional disciplinary situations occur in which a suspended player is involved, the East Region Presidents Cup Committee will impose additional penalties, suspensions or other punishment to be served either during the event or the following season of play.

Coaches serving a disciplinary suspension may attend team activities during the suspension as a spectator only. No communication with players or team management is permitted during the suspended match(s). Any violations will result in additional disciplinary action being taken by the East Region Presidents Cup Committee, including but not limited to additional suspensions and/or recommendations to the home state association.

## MATCH MANIPULATION

Teams failing to compete in the spirit of the competition or are involved in the manipulation of a game result are subject to forfeiture and disqualification from all levels of the National Presidents Cup competition.

- If failing to compete is observed and confirmed, the competition authority representative will give notice to the offending team or teams.
- If corrective action is not taken, the team or teams will be subject to disqualification.

## DURATION OF MATCHES

Age Group	Game Length	Halftime	Overtime Periods (Championships only)
12U	Two 30 minute halves	10 minutes	Two 10 minute periods
13U	Two 35 minute halves	10 minutes	Two 10 minute periods
14U	Two 35 minute halves	10 minutes	Two 10 minute periods
15U	Two 40 minute halves	10 minutes	Two 15 minute periods
16U	Two 40 minute halves	10 minutes	Two 15 minute periods
17U	Two 45 minute halves	10 minutes	Two 15 minute periods
18U	Two 45 minute halves	10 minutes	Two 15 minute periods

- In the preliminary round robin portion, tie scores at the end of regulation time shall stand. Teams with the highest number of points at the end of Round Robin Play shall advance to the Semi-Final round. Points shall be determined by the Scoring Method section below. Round Robin Tie breakers shall be determined by the Tie Breakers section listed below.
- Semi-Finals and Final Games: If a game is tied at the end of regulation play, two complete overtime periods will be played at the end of normal playing time. The time of the overtime periods will be as provided above. If a game is still tied after the end of overtime play, FIFA "Kicks from the Penalty Mark" rules will apply in order to determine the winner.

## SCORING METHOD

The standings of teams are based upon the number of points earned in qualifying matches. Teams earn points as follows: Three (3) points for a win (including forfeits, which are considered a 4-0 victory), One (1) point for a tie and Zero (0) points for a loss.

## **TIE BREAKERS**

In the event teams are tied on the basis of points earned, the team's placement will be determined in accordance with the following sequential criteria.

1. Winner in head-to-head competition (this criterion is not used if more than two teams are tied.)
2. Winner of most games. The team with the most wins advances.
3. Highest goal difference (goals scored minus goals against) with a maximum differential of four (4) goals difference per match counted both for and against. For example, if the score were 8-3, the calculation would be +4 goals for the winning team, -4 goals for the losing team. If the score were 6-4, the calculation would be +2 goals for the winning team and -2 goals for the losing team.
4. Fewest goals allowed. The team with the fewest total goals allowed advances.
5. Kicks from the penalty mark.

Note: If more than two teams are tied, the sequence above will be followed until a team is eliminated. In a situation where three teams remain tied, a draw between tied teams will be conducted by the Tournament Committee to determine an order of contest between tied teams. The first team drawn will receive the bye; the next team drawn will be the home team against the remaining team in the first contest of penalty kicks. The winner of the first contest will then compete against the bye team in penalty kicks to determine the winner. The bye team will be the home team.

Eleven players for age groups 13U through 18U –or- 9 players for the 12U age group from the roster of the final match will be selected by each coach to participate, and a referee will be assigned to break the tie on a field assigned by the East Region Presidents Cup Committee.

Players Ejected in the second or third match of the East Region Presidents Cup, or not listed on the game roster of the third match are not eligible to participate in the Kicks to Break Standings Tie.

If the score of a final match is tied at the end of the second half, there will be two overtime periods of 10 minutes each for play in the 12U, 13U and 14U age groups. If the score of a final match is tied at the end of the second half in the 15U, 16U, 17U and 18U age groups, there will be two overtime periods of 15 minutes each. There is no "Golden Goal" in any overtime period. If neither team scores during the two overtime periods, the winner will be determined by FIFA Kicks from The Penalty Mark.

## **SUBSTITUTIONS**

Substitutions shall be unlimited and made with the consent of the referee during any stoppage of play, except Penalty Kicks.

## **MATCH BALLS**

The East Region Presidents Cup Committee will supply match balls. In the unlikely event that the East Region President Cup Committee cannot provide match balls, the referee will make a choice from balls offered by both teams. All 13U, 14U, 15U, 16U, 17U and 18U matches will be played using a size #5 ball. The 12U matches will be played using a size #4 ball.

## **UNIFORMS**

Each player shall have a number on the player's jersey. The number shall be affixed to the back of the jersey and shall be clearly visible. Each player on a team must wear a number different from the number of every other player on the team. Numbered jerseys for goalkeepers are optional. It is suggested that teams traveling with multiple goalkeepers have numbered jerseys for them.

Each team must have two (2) uniform sets (one light color and one dark color) at each match during the event. Generally accepted light colors include, but are not limited to: white, light grey, sand, sky blue,

yellow, gold, pink, and light green. Generally accepted dark colors include, but are not limited to: black, dark grey, dark brown, navy blue, red, maroon, dark green, and deep purple.

- The team listed first in each game schedule pairing is the home team.
- The home team is required to wear their light color jersey and light color socks
- The away team is required to wear their dark color jersey and dark color socks
- Matching shorts are not required

If, in the opinion of the Referee, there is a color conflict, the team causing the conflict must change.

A player or team official at a game site to participate in a game or associated activity of the competitions may only have on the outer wear of the player or team official a name, logo, or other identifying mark of a youth soccer organization that is US Youth Soccer, a State Association or other member of US Youth Soccer, a member of a State Association, or an organization that is a member of an organization that is a member of a State Association. A name, logo, or other identifying mark of any other youth soccer organization must be removed, replaced, or covered before the player or team official may continue to remain at the game site for the game or associated activity.

### **GRACE PERIODS**

Teams not ready to play at the scheduled start time of any match shall be granted a ten (10) minute grace period. For the 13U age groups and above, a minimum of seven (7) players constitutes a team. For the 12U age group, a minimum of six (6) players constitutes a team. All situations where a team is not ready to play will be assessed by the East Region Presidents Cup Committee.

### **TECHNICAL/BENCH AREA**

Players and team officials will be in the technical/bench area on one side of the field. A maximum of four (4) team officials (i.e. coach, assistant coach, manager, or trainer) may be in the technical/bench area. Team officials must visibly display the Bench Pass provided by the East Region President's Cup Committee to be permitted on the team sideline. No coaching is allowed from other than the technical/bench area.

### **SPECTATORS**

The parents and/or spectators affiliated with a team are considered a part of the team, and the actions of these individuals are the responsibility of the credentialed team officials appearing on the roster.

The spectator area is located on the opposite side of the field from the technical/bench area. No spectators are permitted anywhere behind the goal line during a match. The spectator area is behind the line marked 3 yards beyond the touchline and extends from a point 3 yards from the center line down to the corner flag. Spectators must remain in this area, in the half of the field directly across from their team's bench, subject to the following exception.

It is expected that respect for the game and players will prevail if a limited number of spectators wish to quietly observe the match in the far end of the opposing spectator section (for example, the Goalkeeper's parents). In the event of disruptive behavior by these spectators, a Referee or Tournament official may require them to return to their designated area and restrict any further sideline movement of spectators.

Technical instruction from any part of the spectator area, or provocative or unsportsmanlike behavior by any spectator may result in their removal from the complex. Any spectator asked to leave by a Referee or Tournament official must immediately depart the field area and remain out of sight and sound of the match until the teams have departed the field of play and are no longer the responsibility of the referee.

Whistles, air horns, megaphones and similar devices are prohibited at all East Region and National Presidents Cup competitions. Air horns are for use solely by tournament officials to signal when fields must be cleared due to inclement or dangerous weather conditions.

### **INCLEMENT WEATHER**

In the event that inclement weather affects the competition, the East Region Presidents Cup Committee reserves the right to make all decisions concerning this competition in order to ensure the orderly progression of the event. The decisions of the East Region Presidents Cup Committee are final, and not subject to appeal.

### **UNFINISHED MATCHES**

If, as determined by the East Region Presidents Cup Committee, inclement weather affects the East Region Presidents Cup competition, the following rules will apply regarding play and the determination of a winning team, in the order stated:

- If play is suspended or the start of play is delayed, the Committee may eliminate overtime periods. If the match is tied at the conclusion of regulation playing time, the match will go immediately to FIFA Kicks from the Penalty Mark.
- The game length may be reduced to 70 minutes for the 17U and 18U age groups and 60 minutes for the 15U and 16U age groups. If the game is terminated beyond these times, the result of the game will stand. If the game is tied or does not reach those times, then advancement in the competition will be determined by FIFA Kicks from The Penalty Mark.
- If, in the opinion of the East Region Presidents Cup Committee, additional steps to assure the safe conclusion of the Presidents Cup competition are needed, those decisions will be communicated to all designated team coaches and/or managers before they are implemented.
