

2020-21 SEASON GENERAL TEAM INFORMATION

WHAT IS THE US YOUTH SOCCER NATIONAL LEAGUE?

The US Youth Soccer National League is debuting a new structure for the 2020-21 season. The primary competition takes place at the multi-state level within the network of 13 regionally-aligned conferences across the country. The national platform that ties together the Conferences is the National League Showcase Series, which will provide opportunities for more teams to participate in showcases that match up similar teams from varying areas of the country.

The **Mid South Conference** is one of 13 conferences that fall under the scope of the National League and operate at a multi-state level — providing high-level competition on a consistent basis at a targeted local level (Alabama, Arkansas, Mississippi, Louisiana, Tennessee, and the Florida panhandle).

The **Mid South Conference's** top divisions (both team-based and club-based) offer its teams an opportunity to qualify for the 2021 US Youth Soccer Southern Regional Championships, which are held annually each summer. All teams within the **Mid South Conference** also have the opportunity to take part in the National League Showcase Series, which provides teams with a chance to play cross-conference matches in a national setting with increased exposure to college, professional and national team scouts.

All teams understand that this is a multi-state league and that teams may travel hundreds of miles to participate in conference games. Teams understand that they may not play any true “home” games. A limited number of teams are accepted into the Mid South Conference, so it is important that each team makes the commitment to travel BEFORE applying to the conference.
