Teams participating in the **FARWEST** Regional Championships **or** **WEST Region** Presidents Cup events must book their hotel rooms through the event's designated housing bureau.

Reservations must be made for the entire team (players, coaches and team managers) and extend until the team has been eliminated from the event. A minimum of (5) rooms per team must be booked to qualify for Stay to Play status.

At a date no later than ten (10) days prior to the start of the the specific event, all participating states must provide to the event's West Region Program Manager a list of their teams' housing arrangements. **The listing must include the number of rooms per team and duration of the reservations.**

Teams who stay in private residences or condominiums owned by relatives, or public facilities such as a campground are exempt from these requirements. Time shares and college dorm rooms are not, unless waived by the housing authority through the specific specific Event Committee.

Teams who wish to stay in hotel properties that are not authorized, using Corporate Accounts for lodging discounts, or desire not to comply with this Policy may do so by submitting a fee of \$1,500.00. Payment can be made using either of two methods:

1. Payment can be made at the time of registration for each respective event.
2. Payment can be mailed to the following address:

Failure to pay this fee **prior to the start of a respective event** could result in the team being denied participation.

Post event audits will be performed to ensure compliance with this policy. Thirty days after the completion of these events, states will be invoiced for teams who have failed to pay this non-compliance fee.
