Introduction

This document outlines a Request for Proposals to host the 2023 US Youth Soccer Midwest Regional Championships. The local organizing committee, or city chosen, as a host should place primary emphasis on the safety of the participants and quality of the event while also generating community interest and respectfully representing the US Youth Soccer Brand. The Midwest Regional Championship crowns a Regional Champion in the 13U through 19U age groups.

Bid Proposal

US Youth Soccer will consider bids for the 2023 US Youth Soccer Midwest Regional Championships. In the event that there are changes to the format of the US Youth Soccer Midwest Regional Championships, the contract would be revised, allowing the selected host first right of refusal to host the Championship under the new parameters.

Background and History

US Youth Soccer is the largest youth affiliate and member of U.S. Soccer, the governing body for soccer in the United States. US Youth Soccer is a non-profit organization whose mission is to make soccer the preeminent youth sport in the United States and exists to transform the lives of America's youth through the game of soccer. With more than 2,000,000 players between the ages of five and nineteen, US Youth Soccer has always been recognized as a leader in youth sports organizations.

Each summer, US Youth Soccer crowns a boys and girls national champion in each of its seven age divisions: 13U, 14U, 15U, 16U, 17U, 18U and 19U. The finals are a culmination of a yearlong series of competitions at the state and regional levels. The US Youth Soccer National Championships are comprised of group play, semi-finals, and finals, with teams eliminated after each stage of the event.

The US Youth Soccer National Championship Series serves as the crown jewel of competitive youth soccer in the United States as the nation's top 200 youth soccer teams, in the 13U through 19U Boys and Girls brackets, compete for the US Youth Soccer National Championship title. The US Youth Soccer National Championships are the country's most prestigious national youth soccer tournament, providing approximately 185,000 players on over 10,000 teams from US Youth Soccer State Associations the opportunity to showcase their soccer skills against the best competition in the nation while emphasizing teamwork, discipline, and fair play.

A form of the US Youth Soccer National Championships was first held in 1935, adding age groups and teams throughout the years. The 19-and-Under Boys National Championship, the oldest of the 14 Championships, has been played annually since 1935, except during World War II. Officially known as the United States Soccer Federation National Junior Challenge Cup, the competition was renamed the James P. McGuire Junior Champion Cup in 1975, after the late United States Soccer Federation President. He played for the Brooklyn Wanderers in 1929, and later joined the Brooklyn St. Mary's Celtics who with McGuire at center half won the U.S. Open Cup. James McGuire also served on the World Cup and various other FIFA committees, and earned an international reputation as an excellent soccer administrator and leader.

Event Ownership

US Youth Soccer owns and operates the US Youth Soccer National Championships Series, and will serve as the event management, while working closely with the LOC to ensure a successful event. The LOC will serve a vital role in the planning and connecting US Youth Soccer to the right individuals and agencies with the community. US Youth Soccer reserves the right to use a housing service to secure the necessary hotel room needs for the event. US Youth Soccer is responsible for pre-competition registration/check-in, pre-team official meetings and all games during the competition. US Youth Soccer shall make all determinations of player eligibility and interpret the rules of the competition consistent with all policies approved the US Youth Soccer Board of Directors. US Youth Soccer shall provide guidance to the host organization and must approve all final plans prior to their dissemination and implementation. Furthermore, for any

expenses that US Youth Soccer is financially responsible for, US Youth Soccer must approve and sign all contracts including, but not limited to, sponsorships, hotels, facilities, vendor/labor needs and concessions.

Event Dates/Schedule

Friday, June 23rd – Group Play

Saturday, June 24th – Group Play

Sunday, June 25th – Group Play

Monday, June 26th – Rest Day (Potential TOPSoccer Event)

Tuesday, June 27th – Semi Finals

Wednesday, June 28th – Semi Finals

Competition Site Accommodations

It is required that the playing fields be located within a limited access complex no further than thirty (30) minutes travel time from the appropriate lodging facilities. The site must have convenient access from major highways in the area and with ample parking spaces for teams, referees, tournament officials, spectators, media and VIP's.

The Site must have space for hospitality, college coaches, referees and volunteers to be staffed by volunteers provided by the hosting group during the competition. The host organization must provide an air-conditioned building, pavilion or trailer to serve as the onsite headquarters at each competition site. See Appendix A for more details.

Furthermore, the host organization must provide equipment, supplies, etc. at each competition site and cover all associated costs. See Appendix B for more details.

Water and Ice

The Host Organization must provide adequate water and ice for each team bench in order to sustain players and team officials. Referees, referee coaches and college coaches must also be accounted for.

Awards Ceremonies

The Host Organization must provide the following at the Tournament site headquarters:

- Lockable facility to store trophies, patches, medals and other presentation items.
- A 60-foot by 75-foot area to accommodate the setting/staging area for the awards presentation.
- Additional tables to display trophies, medals, patches and other awards.
- A covered stage large enough to comfortably accommodate 30 people. See Appendix B for further detail.
- Sound system including speaker(s) and microphone.
- An area near the awards ceremony site to facilitate pictures of participating teams. This area must also have the ability to display banners of the US Youth Soccer sponsors.

Medical Facility and Personnel

The Host Organization must provide medical personnel, which must be present at the competition site(s) at all times. Personnel must be set up and prepared for treatment one-hour before the first scheduled match and one hour after all scheduled matches have been completed. Medical personnel must consist of at least one (1) licensed athletic trainers per every two (2) game fields, one (1) lead licensed athletic trainer, one (1) Medical Doctor specially trained in concussion treatment and management and two (2) Emergency Medical Technicians (EMT's) trained to recognize and treat trauma in addition to being trained in sports medicine and CPR. The medical facility must be outfitted with appropriate supplies and equipment to treat emergencies common to the game of soccer to include, but not limited to, abrasions, bruises, sprains, insect bites, exhaustion, heat and induced problems. The medical personnel must have direct communication with a local trauma center and emergency transportation vehicle must be on-site at all times that matches are being played.

Event Marketing

The event will be marketed throughout the country by US Youth Soccer, which will market the event through its print and electronic media outlets. For increased event recognition, the event will include a webpage, with links to its partners, sponsors and the host city CVB/Sports Commission.

Because US Youth Soccer sees this as a partnership, the LOC logo will appear in conjunction with all marketing, advertising and promotion for the event. US Youth Soccer reserves the right to review and approve all collateral material for the event prior to its production. The LOC also may use the US Youth Soccer logo in conjunction with its printed information but only with prior approval from US Youth Soccer.

US Youth Soccer Selection Criteria

US Youth Soccer will use the following guidelines in reviewing the proposal and in the selection process.

Weather: Moderate and reliable (minimal threats of hurricanes, wildfires, etc.)

Competition Venue: The playing field site must contain quality fields that can adequately host 224 teams, coaches, families and friends, volunteers and administration. Additionally, the playing field site must be located within a limited-access complex. US Youth Soccer must have exclusive rights to the complex during the event. No other competitions, camps, leagues or other events may be held during the Midwest Regional Championships without prior approval from US Youth Soccer. The Host Organization is responsible for usage and/or any other fees associated with use of the field complex for the event.

Competition Fields: A minimum of twenty-two (22) fields must be secured, preferably with at least six (6) of those having lights. If your city is geographically located so that playing games during the daylight hours in June and July are dangerous due to extreme weather conditions, then a minimum of eight (8) lighted fields are required.

A single site is preferred, but a proposal with no more than 2 locations will also be considered. Training fields are permitted to be located off site.

All fields must meet the requirements of IFAB Laws of the Game and US Youth Soccer policies and rules regarding the dimensions, markings and equipment. The playing field for all 13U-19U games must be at least 70 to 75 yards in width and 110 to 115 yards in length, surfaced in natural grass or synthetic grass and level. Grass type must be consistent by age group throughout group play stages.

All fields must be free of hazards or obstacles, such as drainage covers, exposed sprinkler heads, and/or any kind of track and field appurtenances including, but not limited to, concrete pads, asphalt, and sand pits.

The fields must be properly maintained to the satisfaction of the US Youth Soccer Midwest Regional Championships committee and US Youth Soccer, including, but not limited to, the cleanliness of the fields and surrounding areas, general turf maintenance, fencing, goals, nets, team benches, and field painting, with the Host Organization responsible for the expense and execution of these activities. US Youth Soccer will provide corner flags, team tents, and water coolers, which must be utilized.

All complex services, including but not limited to, trash pickup and removal, field and ground maintenance and the general management of the complex and any employees is the responsibility of the Host Organization for the duration of the event.

All fields intended for use during the US Youth Soccer Midwest Regional Championships may not be used by any entity or for any purpose except the preparation of the field surfaces for a minimum of two (2) weeks prior to the start of competition.

Warm-up Areas: There must be at least two (2) warm-up areas large enough for a team to warm up prior to their matches in close proximity to the game fields. The warm-up areas must be separate from the playing fields that are being used for competition. The warm-up areas must be surfaced with natural grass or synthetic grass of a similar nature to the playing fields and it is preferred that they be equipped with soccer goals.

Practice/Backup Fields: An additional twelve (12) practice/backup fields at sites other than the competition site must be offered to teams during the week of competition. These practice fields must be surfaced with natural grass or synthetic grass of a similar nature to the playing fields must be in playing condition and be equipped with soccer goals. The practice fields should be in close proximity to the teams' lodging facilities.

Soccer Goals: All goals must meet the requirements of IFAB Laws of the Game. They may be portable but must be stable, safe, substantial and securely attached and anchored to the ground.

Team Benches: Team benches with seating for 15 people must be provided in each technical area. One table and four (4) chairs for the Fourth Official and other authorized individuals must be located between the two team benches and at the halfway line. One additional table for each team bench must be provided for hydration. An adequate supply of water and ice must be provided at each of the team benches including the Fourth Official table, by the LOC, throughout the competition. Tents will be provided by US Youth Soccer.

Hotels: Should be able to service 5,000 players plus coaches, staff, friends and families. 3,200 double/double rooms would need to be secured and arranged in team blocks of 14-16 rooms per block. Home stays and campgrounds are not alternative housing options. Dorms can be an option for referees and referee coaches. Attempts should be made to minimize the cost of the hotel room block. Hotels must be able to guarantee non-smoking rooms to all teams and be a full-service hotel or higher end limited-service hotel property providing a hot breakfast, swimming pool/spa and a workout area. Hotels that charge for parking should be excluded from consideration. Eight (8) complimentary rooms are to be provided for the committee and staff, which should consist of 3 suites and 5 regular rooms.

US Youth Soccer or their designee will solicit and coordinate the accommodations and enter into agreements with the properties. US Youth Soccer, or its designee, is responsible for blocking rooms for teams, referees, the US Youth Soccer Board of Directors, National Staff, the Midwest Regional Championships Committee, and other VIPs. US Youth Soccer or its designee will also arrange for hospitality and/or meeting rooms at those hotels as needed. The Host Organization will retain all hotel rebates, however, they must pay a hosting fee of at least \$35,000 to US Youth Soccer. If needed, additional revenue share options will be discussed with the Host Organization during the bid review process based on the budget submitted within the proposal.

Venue: Adequate space for teams to compete and warmup, medical, spectator viewing, parking and bathrooms. Venue should also have space for vendors, merchandise sales and an awards area. Venue should not be more than a 30-minute drive from the hotels.

Insurance and Indemnification

Each party will maintain in effect throughout the term of this agreement a comprehensive liability insurance policy (general, liability coverage, personal injury and property damage) in force with at least \$2,000,000 general aggregate insurance, naming the other party as additional insured. Each party shall provide a certificate of insurance upon request

by the other party. The policy shall be written so that the other party will be notified of the cancellation or any restrictive amendment of the policy at least 30 days prior to the effective date of such cancellation or amendment.

Workers Compensation

The Host Organization must provide US Youth Soccer with evidence of Workers Compensation insurance for all employees and contractors utilized during the event.

Force Majeure

US Youth Soccer nor the Host Organization, State Association, Local Organizing Committee and/or Venue shall be considered in default of its obligations to the extent that performance of its obligations is prevented or delayed by any cause beyond its reasonable control, including, without limitation, acts of God, acts or omissions of governmental authorities, strikes, lockouts or other industrial disturbances, acts of public enemy, wars, acts or threatened acts of terrorism, blockages, riots, civil disturbances, epidemics, pandemics, floods, hurricanes, tornadoes, and any other similar events, acts, or omissions beyond the control of the parties.

Termination of Agreement

US Youth Soccer reserves the right at any time to withdraw the US Youth Soccer Midwest Regional Championships from the selected location if US Youth Soccer determines it is in best interests of the event. US Youth Soccer will provide written notification a minimum of 30 days in advance of any decision to withdraw. If the Host Organization, State Association, Local Organizing Committee and/or Venue is unable to promptly resolve the cause of the intent to withdraw, then US Youth Soccer Midwest Regional Championships Committee and/or the US Youth Soccer shall have the right to terminate the US Youth Soccer Midwest Regional Championships by providing formal written notice to the venue/host state association, which shall go into effect immediately upon receipt.

Bid Process Timeline

Following is a schedule of activities/meetings, which comprise the bid process. As needed, adjustments in schedule and logistics may be made, at the discretion of US Youth Soccer.

All bids will be accepted through February 18th, 2022, at 5:00PM CST. Upon receiving the bids, the National Office and US Youth Soccer Midwest Regional Championships Committee will meet to review, score and compare the bids. No later than March 18th, 2022, the Midwest Region Program Manager and representative(s) from the National Office, as part of the selection process, will conduct site visits to the two most qualified venue(s), as needed. Site visits deemed necessary by the US Youth Soccer Midwest Region Program Manager are to be coordinated with the bidding organization(s) and all direct expenses are to be covered by the bidding organization(s) (e.g. airfare, hotel, per diem, etc.).

Based on the proposal(s) submitted and site visit(s) conducted, final decisions will be made by the US Youth Soccer Midwest Regional Championships Committee and the US Youth Soccer National Office.

Once a decision is made, US Youth Soccer will advise the Host Organization of their winning bid. Host Organizations that are awarded the US Youth Soccer Midwest Regional Championships will be required to enter into a Hosting Agreement/Memorandum of Understanding outlining the responsibilities of the Host Organization, the US Youth Soccer State Association (if applicable), any appointed Local Organizing or Host Committee and US Youth Soccer.

LOC/Host Site Benefits

Hosting the US Youth Soccer Midwest Regional Championships provides exposure and financial rewards to the local organizing committee, as well as the community. US Youth Soccer has provided a breakdown of the financial impact of hosting and event of this caliber in the Economic Impact Projections section of this document:

- Economic Impact

- Raises the profile and brand image of the city
- Regional benefit – cost savings for local teams
- Future Field Complex enhancements/initiatives
- Puts the host state association and field complex in the limelight, provides an opportunity to advertise and attract new membership
- Positive image to the host city, perhaps reflected in additional events from different areas (conventions, other sports, etc.)
- Opportunity to attract new players to the sport with the publicity that comes with hosting, especially if local media do stories on the event.
- Emphasizes the benefits of sports tourism
- Local businesses benefit from people in town – shops, restaurants, hotels, other attractions
- Civic pride in seeing the local entities working together to benefit the city

Economic Impact Projections

Based on 224 teams that attended the 2021 Midwest Regional Championship in St. Louis, MO, the direct Economic Impact to a community hosting the National Championships was approximately \$10 million dollars. This number is derived utilizing data on hotel room rates, local tax rate(s), estimations of local meal costs, approximation of the number of attendees and entertainment. Most studies indicate that each dollar of Economic Impact turns over between 5 and 7 times before leaving the community.

As part of a bid to host the competition, a good faith estimate of the Economic Impact to your community must be included. If desired, an economic impact calculator is available by [clicking this link](#).
