Baton Rouge, LA – June 23rd - 29th, 2023

To Team Participants, Coaches and Families:

Hello there! My name is Conrado Portnoy and I work for Sports Video USA, a company dedicated to film the best soccer tournaments in different parts of the country. What we do is to film entire soccer games in a professional manner using HD cameras mounted on 30-foot tall tripods. Filming from this height allows us to capture the best and most advantageous view of the field (the same way soccer games are seen on TV). We're not an automatic camera. Our team is formed by professional videographers with 15 years of experience in recording soccer matches. I encourage you to check the sample videos below to see what I mean.

Sports Video USA is proud to again be the official video service provider for the Southern Regional Championships in Baton Rouge, LA, for both boys' and girls' matches. Also, we are the only company authorized to offer Video Services at the event.

We have created a special "team package" to offer at the event. This includes us filming your entire games and then uploading them online in 1080p high definition, for which purchasing teams receive a private digital link via e-mail approximately 10 days after the end of the tournament. We will also include a **free** SD Card with the original files in 1080p which will be mailed out within the same time frame as the links. Filmed games serve as wonderful keepsakes, are used by many teams for tactical analysis, and also can be used to create a highlight reel in great quality. This special team package is offered for \$897.00 (all three games), a two-game pack for \$598.00, and a one-game pack for \$299.00. Any extra game like semifinals or finals is \$299.00 each.

If you would like us to film any Southern Regional Championships games for you during the tournament, simply email your team information to info@sportsvideousa.com in advance (team name, age group, gender) and it will be placed in our schedule. Availability is limited and demand is incredibly high for this event, so please do schedule as soon as possible to ensure that your games are filmed.

Feel free to contact me at info@sportsvideousa.com if you are interested.

Thank you, and good luck!
