EVENT FEES & REFEREE FEES

Be sure to read **ALL** the information below carefully regarding Event and Referee Fees. All event and referee fees **MUST** be paid prior to the event, we will not have an in person check in and we will not accept cash for event fees or referee fees. These fees must all be paid ahead of time. Once the schedule has been posted, all participating teams will receive an email notifying them of an event invoice in GotSport. This invoice will be specific to each team for the number of games they are playing and their subsequent referee fees. To pay your invoice, whether it be credit card or check, please see the walkthrough on the event landing page, found in the Conference Hosted Weekends drop down on the conference homepage. These fees must be paid prior to the weekend.

Please note that all event fees for Conference Hosted Event Weekends were clearly listed in our Conference Operating Procedures prior to schedules being created and all teams agree to these fees when they schedule games in these events. The event fee for each participating team is \$150. If a team is playing a 3rd match there is an additional extra \$75 fee for the 3rd match. See note below from the COP's:

When there is a conflict in uniform color, it is expected that that the first team listed on the match schedule is to wear light/white color jerseys and socks. When there is a conflict in uniform color, the team listed second on the Conference schedule must change its jerseys and socks, except in situations where the team listed first is wearing dark colored jerseys and/or socks, then the team listed first must change to light/white color jerseys and socks. The Referee shall define what constitutes light and dark color jerseys and socks. If any player/s on the roster are club pass carded players with the same player number as another player on their team, then the number must be edited with tape and the game card should be edited to match. Some additional notes about this weekend:

- Pets are NOT allowed onsite.
- **Game Scores are to be submitted by the teams directly themselves.** ALL match scores must be entered by the winning team. Please forward this to onto your other coaches, DOC's and team managers. Do not assume that we have all of the contacts up to date as we constantly receive contact updates within our system.
