Team Contacts,

Spring 2021 Team Application Window Open (15U through 19U)

To all teams planning to play in the Great Lakes Conference Spring 2021 season, the application window is now open! Your state association will be sending out the applications links soon. Please contact your state association for the application link if you do not receive them by next week. The application period runs until August 28. We look forward to hosting your team in the upcoming spring season.

Fall Season Scheduling Process

Now brackets have been posted, we have begun the scheduling process. All scheduling must be done online via zoom calls (or similar platform determined by the DSC). Designated Scheduling Coordinators (DSC's) have been appointed in most divisions. They have been provided with a scheduling template and will be responsible to create their divisional schedule. Meetings MUST take place on or before Monday July 27, so a team representative, preferably the coach MUST be available to represent your team on that day. Monday July 27 was the date for the original in person scheduling meetings, so there is no exemption to attending the online meetings. If a team cannot attend, their schedule will be created for them by the DSC and the rest of the group in attendance.

Each divisional DSC has received an email from the conference. This email provides the DSC with everything that he or she needs to complete the process. We recommend that all in state matches are scheduled first and that all out of state match ups are pushed back to as late in the season as possible. This will all be determined within your divisional groups.

Fall Conference Hosted Events

The conference hosted event weekend at Grand Park, IN can be seen listed on the conference homepage in the Team Information drop down menu. Click on the 2020-21 Midwest Conference Team Information Document and scroll to the last page of the document. This lists the date, location, costs and hotel mandates for event weekends. This weekend is NOT mandatory and we suggest that you only utilize this event if other smaller club hosted events are not possible for your division. We are not mandating this as many teams will not be comfortable with hotel stays at this time.

19U Age Group For The 2020-21 Season

In the UPDATE box on the homepage you will also see the memo that was sent out by the National Office regarding the 19U age group for the 2020-21 season. For all competitions within the National League (including the National League Conferences, the National League Showcase Series and the National League Playoffs), the oldest age group FOR THE 2020-21 SEASONAL YEAR ONLY will be 19/20-U. Eligible players' must be born on or after Jan 1, 2001.

Building and sharing venues in the GotSport system

This **MUST** be completed by all clubs prior to the scheduling meetings. We don't want to wait on clubs creating the venues and sharing them with us before we can schedule the games in the GotSport system. The scheduling process has started, so ALL of your club venues MUST be added into GotSport **by Monday July 27**.

Creating Venues and Fields

In order for games to be scheduled in GotSport, the fields and venues must be created in GotSport by the club and shared with the Conference. If you do not own the complex and multiple clubs in your area use the complex, please contact your state so they can create the venue for you. If you own the complex, please build the field using the walkthrough on the Conference website under the Team Information drop-down titled "*Walkthrough - Clubs Building and Sharing Fields in GotSport*". Venues only need to be created once in the system. Once shared, you will not need to worry about creating and sharing the venue again.

For any questions at all on GotSport please contact jsparkman@usyouthsoccer.org
