**GUIDE FOR SUBMITTING YOUR TEAM ROSTER**

as of September 24, 2019

*This document is provided to team administrators to guide them in the process of submitting a team roster for the USYS Conferences Boys Showcase taking place on December 28-30, 2019.*

*1—your team roster in the US Youth Soccer EMS database—**this is not your official team roster**---this roster is only for used for promotional use (identifying goal scorers for news purposes) and as a resource for college coaches as we will produce a team notebook for college coaches attending the event. The book will contain all team rosters of the National League teams.*

*2—your team’s official state association approved roster that is submitted to the NL Commissioner prior to the event (by December 18) serves as your **official roster** with the approved list of players eligible to play on your Showcase team*

**Updating Your Team’s EMS Database Roster**

As described above this roster is essentially used for promotional purposes. Contact Ryan Loy with any questions on updating this roster [roy@usyouthsoccer.org](mailto:roy@usyouthsoccer.org)

**Submitting Your Official Team Roster**

This section deals with your official team roster that lists all eligible players for the competition. The eligible players are any age appropriate players that are rostered to a team within your club in 2019-20 with US Youth Soccer through your respective state association, plus a maximum of three guest players from outside of your club who must also be rostered to a team with US Youth Soccer through your respective state association

--Deadline to submit state association approved rosters is December 18, 2019

--The maximum team roster size is 22.

--The Leagues Showcase will accept either of these two roster forms

(1) the team roster form generated through the state association’s player registration system; or

(2) the US Youth Soccer Showcase Roster form for December 28-30, 2019

provided that either roster is approved by an authorized State Association representative (Executive Director, CEO, State President, State Registrar are examples of State Association representatives) and submitted to the NL Commissioner.

--Updates may be allowed in extreme circumstances at the discretion of the NL Commission

--Club passed players or guest players must be properly designated on your team roster form.

**--ALL PLAYERS MUST HAVE US YOUTH SOCCER PASSES FROM THEIR RESPECTIVE STATE ASSOCIATIONS. NO OTHER PLAYER PASSES WILL BE ACCEPTED**

If your team has any questions, please contact Paul Luchowski, NL Commissioner.
