

2019 NATIONAL LEAGUE CONFERENCES GIRLS WINTER SHOWCASE
January 19-21, 2019 @Premier Sports Campus, Lakewood Ranch FL
GUIDE FOR SUBMITTING YOUR TEAM ROSTER

as of October 2, 2018

This document is provided to team administrators to guide them in the process of submitting a team roster for the National League Conferences Showcase taking place on January 19-21, 2019.

*1—your team roster in the US Youth Soccer EMS database—**this is not your official team roster**---this roster is only for used for promotional use (identifying goal scorers for news purposes) and as a resource for college coaches as we will produce a team notebook for college coaches attending the event. The book will contain all team rosters of the National League teams.*

*2—your team’s official state association approved roster that is submitted at least 7 days prior to the event (by January 12) serves as your **official roster** with the approved list of players eligible to play on your Showcase team*

Updating Your Team’s EMS Database Roster

As described above this roster is essentially used for promotional purposes. Contact Ryan Loy with any questions on updating this roster roy@usyouthsoccer.org

Directions on entering data into the EMS can be found here:

Submitting Your Official Team Roster

This section deals with your official team roster that lists all eligible players for the competition. The eligible players are any age appropriate players that are rostered to a team within your club in 2018-19 with US Youth Soccer through your respective state association, plus a maximum of three guest players from outside of your club who must also be rostered to a team with US Youth Soccer through your respective state association

--Deadline to submit state association approved rosters is January 12, 2019

--The maximum team roster size is 22.

--The Leagues Showcase will accept either of these two roster forms

(1) the team roster form generated through the state association’s player registration system; or

(2) the US Youth Soccer Showcase Roster form for January 19-21, 2019

provided that either roster is approved by an authorized State Association representative (Executive Director, CEO, State President, State Registrar are examples of State Association representatives) and submitted to the NL Commissioner.

--Updates may be allowed in extreme circumstances at the discretion of the NL Commission

--Club passed players or guest players must be properly designated on your team roster form.

--ALL PLAYERS MUST HAVE US YOUTH SOCCER PASSES FROM THEIR RESPECTIVE STATE ASSOCIATIONS. NO OTHER PLAYER PASSES WILL BE ACCEPTED

If your team has any questions, please contact Paul Luchowski, NL Commissioner.
