AM Sports Tours

Heads for travel, hearts for soccer

Right from the kick off, it's been about the soccer. It's in our blood. We're a passionate team of top-level soccer coaches and players dedicated to sharing our love of the beautiful game with players of every age, from every corner of the earth.

We work at the very highest level, coaching national teams on the international stage, as well as running our own thriving grassroots club. So, when it comes to our tours, we take a completely tailored approach, creating incredible itineraries based on your specific goals.

We take teams on unforgettable journeys, travelling to amazing cities and iconic stadiums, meeting heroes and making friends. Unrivalled on-the-ground knowledge means we can partner you with professional and national clubs for demanding training sessions, challenging games and inspiring behind-the-scenes tours.

We're soccer people doing tours, not tour people doing soccer. We know the game and we know what it's like to be a player, a fan, a coach and a manager. That's why over 2,000 soccer-loving clients from over 36 countries choose AM Sports Tours again and again. ●

AM Sports Tours Staff

The AM Sports Tours staff that will accompany the group on the tour will ensure that you arrive in Europe with the knowledge that you will be well taken care of.

Our staff are unique in that we are soccer people doing travel and not travel agents doing soccer. The passion for the game and ensuring you have a truly unforgettable experience is at the forefront of every part of the tour - before, during and after.

Our staff are easily available pre-tour to assist with registration and any other queries you may have. Our aim to make you as comfortable as possible as we are aware that for some it is the first time outside of the USA and for others, they are bringing their whole family.

We provide a number of staff members to coordinate and deliver the tour when you arrive and all have vast experience in the destinations dealing with groups of all sizes.

We hope that you leave not only with unforgettable memories of the tour but also with new friends made with families you didn't know and the AM Sports staff! ●

"I cannot explain how valuable this experience was for me and my daughter. The level of organisation, professionalism, logistics and delivery of the experience was unbelievable! To be able to coordinate a group of this size so smoothly was credit to AM Sports Tours. The Staff made the trip for us. They were very professional but at the same time made the group feel at ease the whole time and we enjoyed many laughs through the week! Definitely looking to travel again in the future."

Brian Ritter, UK Tour

"A+ on the overall trip and experience. Our group is still talking about how we had such a wonderful experience and the fact your tour guides (Steve Gilfillan/Gary Reilly) left such a great impact on our children's life's which they will never forget. In addition to the excellent soccer experience, you guys managed to pull off a very well rounded vacation/tour of Spain for the whole family as well. Hats off to you gents - first class all the way around. We are counting the days to the next trip!!"
