

Greetings,

Due to the COVID-19 pandemic and the availability of soccer complexes in each host state, we have delayed the announcement of the accepted teams for the Desert Conference 2020-21 season until August 1, 2020.

With the additional time, it will allow host states to secure soccer complexes, as well as give states the opportunity to work with their local governments on the requirements to return to play and what that will look like for each state for Fall 2020.

On August 14, we will announce if our September event in Utah will take place.

*PLEASE DO NOT MAKE ANY TRAVEL ARRANGEMENTS UNTIL YOU HEAR FROM US REGARDING THE STATUS OF EACH EVENT.*

Additionally, we will have timelines in October looking ahead to our November event in Arizona.

Thank you for your patience during these times.
