The schedule for the day can be seen above. It is our expectation that COACHES or club DOC's attend these scheduling meetings. Team admins may attend, but it is NOT recommended. Many clubs will send 1-3 coaches to schedule all ages for their whole club. For Club vs Club, upon acceptance into Club vs Club divisions clubs will provide availability sheets to the league manager. The league manager will create the schedule in cooperation with the Club Leaders Committee.

2.03 General Scheduling Information

Conference schedules will be overseen by the League Manager, who will have sole discretion in the manner by which game schedules are developed. Teams participating in the Midwest Conference must be available to play on the published conference dates. By submitting your team application, your team is committing to play on the published dates for the conference.

- a) **Club vs Club Divisions.** Upon acceptance into Club vs Club division clubs will provide availability sheets to the league manager. The league manager will create the schedule in cooperation with the Club Leaders Committee (Committee will be created after accepted clubs are announced).

All teams in a division must agree to the entire schedule. Availability of fields at Midwest Conference hosted sites is limited and will be provided to teams on a first completely approved scheduled, first served basis at the mandatory scheduling meeting. At the start of the mandatory scheduling meeting, a Division Scheduling Coordinator (DSC) will be assigned to each division by the group. The DSC will be responsible for completing the master sheet, having all teams sign and handing it to the scheduling staff to make copies to distribute to each team. Time conflicts will occur for those coaches that coach multiple teams on Midwest Conference weekends and the Midwest Conference, as well as the other teams within a division. The league is under no obligation to assist these coaches with their conflicts. Once schedules are developed at the meeting, schedule changes are permitted only in accordance with US Youth Soccer Midwest Conference Scheduling Policy.

**Final decisions on scheduling meeting locations/processes TBD based on Covid-19 guidelines*

- c) **Conference Qualifier Divisions in all Age Groups (IL teams only).** After the placement of teams into qualifier divisions, teams will be provided with information on the Midwest Conference scheduling process through a group email sent to each Team's Coach and Club Director of Coaching of teams. All teams in a subdivision must agree to the entire schedule. A Division Scheduling Coordinator (DSC) who will be appointed by the Midwest Conference from within each division to assist in the process. Our hope is that only Club Directors of Coaching, the Head Coach of a participating team within the division, or a Full-time Club Administrator will be selected as the DSC. 2.05 Ground Rules and Procedures

Fall Season play may begin on August 1, 2020. All games must be scheduled to be played on or before November 22, 2020 (14U must be completed on or before November 8). Fall Season Midwest Conference teams must be available to play on

the following weekends September 12-13, September 19-20, September 26-27 & October 3-4. Teams are excused from Midwest Conference play during these weekends only for State Cup play.

a) Ground Rules

1. The Goal is to come out of this process with your Midwest Conference schedule for the 2020 Fall Season. Each game should be assigned a site and a host organization designated for such site (even if played on a neutral site). The Midwest Conference is cognizant that teams, primarily with opponents from within their own state association, may opt to play OneOffs (or Self Schedule Games – ie. teams set their own date, time and location). There is no limit on the listing of OneOffs (Self Schedule Games). However, the designation of which games are One-Offs (Self Scheduled Games) must be firmed up. Once it is agreed that certain games shall be One Offs/Self Schedule Games, then those games dates must be submitted to the league by the first day matches can be played, August 1, 2020 (See Scheduling Policy for sanctions if games are not confirmed by August 1, 2020).
2. **Travel.** All teams understand that this is a Regional League and that teams may travel hundreds of miles to participate in Midwest Conference games. The determination of game sites is based in part due to home locations of teams within a division and field availability. Teams understand that they may not play any home games.
3. **Coaches.** Teams should understand that due to the nature of scheduling of games for teams from across the region that scheduling games for the benefit of a single coach who coaches multiple teams should not be expected. Time conflicts will occur for those coaches that coach multiple teams on Midwest Conference weekends and the Midwest Conference, as well as the other teams within a division, are under no obligation to assist these coaches with their conflicts.
4. For purposes of hosting, the Midwest Conference has divided the Hosting of games into three (3) types of categories:
 - a. **US Youth Soccer Midwest Conference Hosting.** US Youth Soccer Midwest Conference hosts games at a multiple field location. There will be additional costs to the teams for playing matches at US Youth Soccer Midwest Conference hosted weekend sites, to cover the additional fee's required for facility costs and safely staffing these events. The US Youth Soccer Midwest Conference hosted weekends for the 2020 Fall Season and the 2021 Spring Season will be posted on the Midwest Conference website.
 - b. **One-Off Hosting.** A team hosts a one off game between itself and another team from within its division. Host bears all costs for hosting or if teams agree at the time of scheduling, the teams may share costs (usually for games played at a neutral location). Split costs must be agreed at the time of scheduling.
 - c. **Group Hosting.** A team hosts a number of teams over a weekend amongst teams from within its division. Host team bears all costs for hosting or if the teams agree, the teams may share costs (usually for games played at a neutral location). Split costs must be agreed at the time of scheduling.
5. The Midwest Conference does not prohibit teams from scheduling more than one game per day if the teams so agree.
6. If scheduling two games in one day, Midwest Conference Rules stipulate that efforts be made so that a minimum of three hours' rest occur between games (from the end of the first game to the start of the second).
7. Also, in situations where teams agree to play three games in a weekend, teams understand that their opponents may not play a similar schedule of games for that particular weekend. Teams should understand that if they agree to play three games in a weekend, that their opponents and other teams participating that weekend may not play an equal number of games and have equal rest between games. For example, in situations where opponents have different amount of rest in the same day between games, (in order) the host team or local team(s) should be the team(s) scheduled with the least amount of rest.
8. Team(s) may agree to play four games in a weekend due to exceptional circumstances as agreed to with the League Manager in writing. In the event that there is a conflict where teams are unable to agree to a mutually agreeable date for their game, teams should apply the concept that State Cup Games are the ONLY games that take precedence over availability for Midwest Conference games.
9. All games that are to be played between teams from the same club must be played during the first one third of each team's season or the game will be considered a No-Contest. No consideration will be made for games that are postponed. These games must be played within the first third of a team's schedule. For example, in a 9 game season, this game must be 1st, 2nd or 3rd game of each team's season. For 6, 7 or 8 game season, this game must be the 1st or 2nd game of each team's season.
10. The Midwest Conference hosted sites are listed on the availability sheets for each division. These are not required events (except the mandatory showcase as listed) and sites are merely offered to teams as an option in scheduling games. However, we strongly encourage teams to take up these event weekend options.
11. Fall Season play may begin on August 1, 2020. All games are to be played on or before November 22, 2020 (November 8 for all 14U teams). Waivers to these dates may be permitted only if all teams in a division agree in

writing to extend the season and with the approval of the League Manager; or by special approval by the League Manager.

12. Fall Season Midwest Conference teams must be available to play on the following weekends (September 12-13, September 19-20, September 26-27 & October 3-4). Teams are excused from Midwest Conference play during these weekends only for State Cup play. The Midwest Conference avoids Labor Day and Columbus Day weekends for games. All games are to be played on or before November 22, 2020 (November 8 for all 14U teams).
13. There is risk involved in scheduling matches on grass fields. Do not expect hosts to guarantee that games will be played as field and weather conditions may deem fields unplayable and/or closed.
14. Once the schedule is finalized teams are released from the Must Be Available weekends requirement.

b) Procedures

1. Once the Designated Scheduling Coordinator (DSC) is appointed at the scheduling meeting, the DSC is to collect and confirm the availability of each team during the meeting and deliver to the League Manager.
2. DSC to confirm the host site information as provided by teams within the division. Teams should reconfirm that a host team has the number of field's available necessary in order to play games at the same time and provide for equal rest time in situations where teams agreed to play two games in one day. Teams should also reconfirm the playing surface of each field. Teams should confirm if games are scheduled on grass or turf (synthetic), as well as fields with any floodlights. Hosts are not obligated to secure back up turf fields as delays or postponements due to weather or field conditions cannot be controlled. All teams understand that there is a risk of postponement. Host pays for all costs associated with hosting, unless agreed otherwise at the time of scheduling. In situations where the host team has to move games from grass fields to turf fields, the host team is responsible for costs associated with such hosting (with the exception of extreme weather conditions). Visiting teams are under no obligation whatsoever to pay for costs unless specifically agreed by ALL teams involved at the time of the scheduling meeting.
3. Utilizing the scheduling match-up template provided to the DSC, place sites and dates agreed to by teams next to game match-ups. Game times for all games except those to take place at Midwest Conference hosted sites and any one-offs should be determined before the schedule is finalized. It is expected that game start times and rest time between games played on the same day shall be equal (unless otherwise noted). If field changes require game time changes and un-equal rest time between games, the hosting team (followed by other local teams) shall be required to accept a schedule with the least rest time between games (unless agreed upon by the other participating teams). In other words, hosting team shall have no scheduling advantage in regards to rest. If game times are not determined, the host team has the right to schedule matches as they deem appropriate, pending Midwest Conference approval.
4. Teams may designate games to be One-Offs (Self Scheduled) - dates of these games to be scheduled by August 1, 2020 or the game may be considered a No Contest Game.
5. In situations where games are scheduled for Midwest Conference hosted sites, the Midwest Conference shall have the sole authority to determine game times (as multiple divisions will be playing on-site for these weekends). If a group of teams are scheduled to play two games in one day, game times should be designated as AM-for the series of games to be played first in the day; and PM-for the series of games to be played later in the day. This does not necessarily mean that AM games will be played in the morning. Games may start as early as 7:15 am. Game times listed as PM could stretch from anywhere from Noon to 9 pm. These games times will not be posted until around a month before the event weekend. The Midwest Conference is not required to fulfill any special time requests for games scheduled at Midwest Conference hosted sites.
6. Matches are scheduled on grass fields with no turf back-ups at Midwest Conference hosted sites in Rockford and potentially Grand Park. There are field costs to the teams for playing matches at Midwest Conference hosted weekend sites. With the addition of these new event sites, teams that choose to attend these weekends will be subject to additional fee's as detailed above. Fee to be paid to US Youth Soccer. These event weekends have been added to enhance the showcase opportunities for the teams in our conference and to enhance their overall experience. This fee will go towards the additional rental costs, medical coverage, onsite staff and equipment needed to run these events safely and effectively.
7. The Midwest Conference retains the right to move any matches scheduled by two local teams, as defined solely by the Midwest Conference, OFF of the Midwest Conference hosted sites at any time.
8. At Midwest Conference sites, please know that field sizes vary from 105 to 120 yards in length and 60 yards to 75 yards in width. Fields at Midwest Conference hosted sites are available on a first finalized, first to secure basis as fields are limited. The Midwest Conference is not required to fulfill any special time requests for games at Midwest Conference hosted sites.
9. Midwest Conference games may be scheduled during other US Youth Soccer sanctioned competitions during Fall Season weekends. Games must be played under Midwest Conference rules and are subject to approval by

the Midwest Conference. Teams and host organization will be held responsible for Midwest Conference rules compliance in these situations. Host organization will be responsible for all referee fees and assigning fees. Teams should know that scheduling matches at such events essentially strips Midwest Conference teams of all scheduling rights including but not limited to rescheduling. Extra fees may also be charged and any matches played at external events must be sent to League manager.

10. Once a schedule is submitted to the Midwest Conference, the League Manager will distribute a note to all teams confirming that the schedule has been received and that teams have agreed to the schedule.
11. After the deadline date, the Midwest Conference has the authority to accept a schedule without approval of the schedule by all teams in a division if a team(s) fails to actively participate in the scheduling process or a team(s) fails to comply with availability on must be available to play weekends (as determined solely by the League Manager).

If a team representative is not in place by the official start time, other reps in attendance may schedule without that team. If you do not have a

representative at this meeting, then it will be considered that your team is available to play on all weekends throughout the Spring Season (excluding state cup weekends). Teams not in attendance **MUST** accept the schedule and teams in attendance are under no requirement to reschedule any of these matches. Any team failing to send a representative to the scheduling meeting may be subject to a \$200 league fine. The representative can be any staff member or volunteer from that club, they do not specifically have to be part of the team, but each team **MUST** have a representative at the scheduling meeting.

There will be no consideration for unavailability if a representative is not present at the meeting. We expect to come out of this meeting with game schedules completed. The schedule for the day can be seen above. It is our expectation that COACHES or club DOC's attend these scheduling meetings. Team admins may attend, but it is NOT recommended. Many clubs will send 1-3 coaches to schedule all ages for their whole club. Club vs Club upon acceptance into Club vs Club division clubs will provide availability sheets to the league manager. The league manager will create the schedule in cooperation with the Club Leaders Committee.

3.03 General Scheduling Information

Conference schedules will be overseen by the League Manager, who will have sole discretion in the manner by which game schedules are developed. Teams participating in the Midwest Conference must be available to play on the published conference dates. By submitting your team application, your team is committing to play on the published dates for the conference.

- a) **Club vs Club Divisions.** Upon acceptance into Club vs Club division clubs will provide availability sheets to the league manager. The league manager will create the schedule in cooperation with the Club Leaders Committee.
- b) **Premier I Divisions, Premier II Divisions and First Divisions.** After the placement of teams into tiers and subdivisions, teams will be provided with this information on the Midwest Conference scheduling process, including details of the mandatory scheduling meeting that will be posted on the conference website. The Midwest Conference provides the opportunity for teams to schedule all games in a division in accordance with Midwest Conference procedures. All teams in a subdivision must agree to the entire schedule. Availability of fields at Midwest Conference hosted sites is limited and will be provided to teams on a first completely approved scheduled, first served basis at the mandatory scheduling meeting. At the start of the mandatory scheduling meeting, a Division Scheduling Coordinator (DSC) will be assigned to each division by the group. The DSC will be responsible for completing the master sheet, having all teams sign and handing it to the scheduling staff to make copies to distribute to each team. Time conflicts will occur for those coaches that coach multiple teams on Midwest Conference weekends and the Midwest Conference, as well as the other teams within a division. The league is under no obligation to assist these coaches with their conflicts. Once schedules are developed at the meeting, schedule changes are permitted only in accordance with US Youth Soccer Midwest Conference Scheduling Policy.
- c) **Conference Qualifier Divisions in all Age Groups (IL teams only).** After the placement of teams into qualifier divisions, teams will be provided with information on the Midwest Conference scheduling process through a group email sent to each Team's Coach and Club Director of Coaching of teams. The Midwest Conference provides the opportunity for teams to schedule all games in a division in accordance with Midwest Conference procedures. All teams in a subdivision must agree to the entire schedule. A Division Scheduling Coordinator (DSC) who will be appointed by the Midwest Conference from within each division to assist in the process. Our hope is that only Club Directors of Coaching, the Head Coach of a participating team within the division, or a Full-time Club Administrator will be selected as the DSC. Generally, this person will be someone who has scheduled Midwest Conference games in the past.

All other events are optional, but you accept the fee's if you schedule matches on any of these weekends. These event weekends have been added to enhance the showcase opportunities for the teams in our conference and to enhance their overall experience. ANY team that withdraws from a conference hosted event after the scheduled dates (not times) have been posted MUST still pay the event fee for that specific event.

3.05 Ground Rules and Procedures

Spring Season play may begin on February 5, 2021. All games must be scheduled to be played on or before June 6, 2021. Spring Season Midwest Conference teams must be available to play on the following weekends (April 17-18, April 24-25, May 1-2, and May 8-9). Teams are excused from Midwest Conference play during these weekends only for State Cup play.

a) Ground Rules

1. The Goal is to come out of this process with your Midwest Conference schedule for the 2021 Spring Season. Each game should be assigned a site and a host organization designated for such site (even if played on a neutral site). The Midwest Conference is cognizant that teams, primarily with opponents from within their own state association, may opt to play One-Offs (or Self Schedule Games – ie. teams set their own date, time and location). There is no limit on the listing of One- Offs (Self Schedule Games). However, the designation of which games are One-Offs (Self Scheduled Games) must be firmed up. Once it is agreed that certain games shall be One Offs/Self Schedule Games, then those games dates must be submitted to the league by the first day matches can be played, February 5, 2021 (See Scheduling Policy for sanctions if games are not confirmed by February 5, 2021).
2. **Travel.** All teams understand that this is a Regional League and that teams may travel hundreds of miles to participate in Midwest Conference games. The determination of game sites is based in part due to home locations of teams within a division and field availability. Teams understand that they may not play any home games.
3. **Coaches.** Teams should understand that due to the nature of scheduling of games for teams from across the region that scheduling games for the benefit of a single coach who coaches multiple teams should not be expected. Time conflicts will occur for those coaches that coach multiple teams on Midwest Conference weekends and the Midwest Conference, as well as the other teams within a division, are under no obligation to assist these coaches with their conflicts.
4. For purposes of hosting, the Midwest Conference has divided the Hosting of games into three (3) types of categories:
 - a. **US Youth Soccer Midwest Conference Hosting.** US Youth Soccer Midwest Conference hosts games at a multiple field location. There will be additional costs to the teams for playing matches at US Youth Soccer Midwest Conference hosted weekend sites, to cover the additional fee's required for facility costs and safely staffing these events. The US Youth Soccer Midwest Conference hosted weekends for the 2020 Fall Season and the 2021 Spring Season will be posted on the Midwest Conference website.

- b. **One-Off Hosting.** A team hosts a one off game between itself and another team from within its division. Host bears all costs for hosting or if teams agree at the time of scheduling, the teams may share costs (usually for games played at a neutral location). Split costs must be agreed at the time of scheduling.
 - c. **Group Hosting.** A team hosts a number of teams over a weekend amongst teams from within its division. Host team bears all costs for hosting or if the teams agree, the teams may share costs (usually for games played at a neutral location). Split costs must be agreed at the time of scheduling.
5. The Midwest Conference does not prohibit teams from scheduling more than one game per day if the teams so agree.
 6. If scheduling two games in one day, Midwest Conference Rules stipulate that efforts be made so that a minimum of three hours' rest occur between games (from the end of the first game to the start of the second).
 7. Also, in situations where teams agree to play three games in a weekend, teams understand that their opponents may not play a similar schedule of games for that particular weekend. Teams should understand that if they agree to play three games in a weekend, that their opponents and other teams participating that weekend may not play an equal number of games and have equal rest between games. For example, in situations where opponents have different amount of rest in the same day between games, (in order) the host team or local team(s) should be the team(s) scheduled with the least amount of rest.
 8. Team(s) may agree to play four games in a weekend due to exceptional circumstances as agreed to with the League Manager. In the event that there is a conflict where teams are unable to agree to a mutually agreeable date for their game, teams should apply the concept that State Cup Games are the ONLY games that take precedence over availability for Midwest Conference games.
 9. All games that are to be played between teams from the same club must be played during the first one third of each team's season or the game will be considered a No-Contest. No consideration will be made for games that are postponed. These games must be played within the first third of a team's schedule. For example, in a 9 game season, this game must be 1st, 2nd or 3rd game of each team's season. For 6, 7 or 8 game season, this game must be the 1st or 2nd game of each team's season.
 10. The Midwest Conference hosted sites are listed on the availability sheets for each division. These are not required events (except the mandatory showcase as listed) and sites are merely offered to teams as an option in scheduling games. However, we strongly encourage teams to take up these event weekend options.
 11. Spring Season play may begin on February 5, 2021. All games are to be played on or before June 6, 2021. Waivers to these dates may be permitted only if all teams in a division agree in writing to extend the season and with the approval of the League Manager; or by special approval by the League Manager.
 12. Spring Season Midwest Conference teams must be available to play on the following weekends (April 17-18, April 24-25, May 1-2, and May 8-9). Teams are excused from Midwest Conference play during these weekends only for State Cup play. All games are to be played on or before June 6, 2021.
 13. There is risk involved in scheduling matches on grass fields. Do not expect hosts to guarantee that games will be played as field and weather conditions may deem fields unplayable and/or closed.
 14. Once the schedule is finalized teams are released from the Must Be Available weekends requirement.

b) Procedures

1. Once the Designated Scheduling Coordinator (DSC) is appointed at the scheduling meeting, the DSC is to collect and confirm the availability of each team during the meeting and deliver to the League Manager.
2. DSC to confirm the host site information as provided by teams within the division. Teams should reconfirm that a host team has the number of fields available necessary in order to play games at the same time and provide for equal rest time in situations where teams agreed to play two games in one day. Teams should also reconfirm the playing surface of each field. Teams should confirm if games are scheduled on grass or turf (synthetic), as well as fields with any floodlights. Hosts are not obligated to secure back up turf fields as delays or postponements due to weather or field conditions cannot be controlled. All teams understand that there is a risk of postponement. Host pays for all costs associated with hosting, unless agreed otherwise at the time of scheduling. In situations where the host team has to move games from grass fields to turf fields, the host team is responsible for costs associated with such hosting (with the exception of extreme weather conditions). Visiting teams are under no obligation whatsoever to pay for costs unless specifically agreed by ALL teams involved at the time of the scheduling meeting.
3. Utilizing the scheduling match-up template provided to the DSC, place sites and dates agreed to by teams next to game match-ups. Game times for all games except those to take place at Midwest Conference hosted sites and any one offs should be determined before the schedule is finalized. It is expected that game start times and rest time between games played on the same day shall be equal (unless otherwise noted). If field changes require game time changes and un-equal rest time between games, the hosting team (followed by other local teams) shall be required to accept a schedule with the least rest time between games (unless agreed upon by

the other participating teams). In other words, hosting team shall have no scheduling advantage in regards to rest. If game times are not determined, the host team has the right to schedule matches as they deem appropriate, pending Midwest Conference approval.

4. Teams may designate games to be One-Offs (Self Scheduled) - dates of these games to be scheduled by February 5, 2021 or the game may be considered a No Contest Game.
5. In situations where games are scheduled for Midwest Conference hosted sites, the Midwest Conference shall have the sole authority to determine game times (as multiple divisions will be playing on-site for these weekends). If a group of teams are scheduled to play two games in one day, game times should be designated as AM-for the series of games to be played first in the day; and PM-for the series of games to be played later in the day. This does not necessarily mean that AM games will be played in the morning. Games may start as early as 7:15 am. Game times listed as PM could stretch from anywhere from Noon to 9 pm. These games times will not be posted until around a month before the event weekend. The Midwest Conference is not required to fulfill any special time requests for games scheduled at Midwest Conference hosted sites.
6. Matches are scheduled on grass fields with no turf back-ups at Midwest Conference hosted sites in Rockford and potentially Grand Park. There are field costs to the teams for playing matches at Midwest Conference hosted weekend sites. With the addition of these new event sites, teams that choose to attend these weekends will be subject to additional fees as detailed above. Fee to be paid to US Youth Soccer. These event weekends have been added to enhance the showcase opportunities for the teams in our conference and to enhance their overall experience. This fee will go towards the additional rental costs, medical coverage, onsite staff and equipment needed to run these events safely and effectively.
7. The Midwest Conference retains the right to move any matches scheduled by two local teams, as defined solely by the Midwest Conference, OFF of the Midwest Conference hosted sites at any time.
8. At Midwest Conference sites, please know that field sizes vary from 105 to 120 yards in length and 60 yards to 75 yards in width. Fields at Midwest Conference hosted sites are available on a first finalized, first to secure basis as fields are limited. The Midwest Conference is not required to fulfill any special time requests for games at Midwest Conference hosted sites.
9. Midwest Conference games may be scheduled during other US Youth Soccer sanctioned competitions during Spring Season weekends. Games must be played under Midwest Conference rules and are subject to approval by the Midwest Conference. Teams and host organization will be held responsible for Midwest Conference rules compliance in these situations. Host organization will be responsible for all referee fees and assigning fees. Teams should know that scheduling matches at such events essentially strips Midwest Conference teams of all scheduling rights including but not limited to rescheduling. 10. Once a schedule is submitted to the Midwest Conference, the League Manager will distribute a note to all teams confirming that the schedule has been received and that teams have agreed to the schedule.
11. After the deadline date, the Midwest Conference has the authority to accept a schedule without approval of the schedule by all teams in a division if a team(s) fails to actively participate in the scheduling process or a team(s) fails to comply with availability on must be available to play weekends (as determined solely by the League Manager).
