RE: **National League Conferences Girls Showcase 2019**

Please feel free to share this letter with your schools.

On behalf of the US Youth Soccer National League, we would like to request the release of all players from your school who are members of National League Conference teams and set to participate in the 2019 National League Conferences Girls Showcase event in Lakewood Ranch, Fla., at the Premier Sports Campus on January 19-21, 2019. Our matches begin early morning on Saturday and conclude midafternoon on Martin Luther King Day.

The US Youth Soccer National Leagues program has been developed to provide elite level teams and their players with extraordinary opportunities to showcase their talents in front of numerous college coaches and National Team scouts, who are charged with identifying and developing the teams that represent the United States in international competitions, such as the Olympics and World Cup. The opportunity provided to the players is great both on and off the field. As we all know, players at the elite level are striving to extend their educational and soccer playing careers to the college level. Entering the 12th year of our program, we have already seen the benefit that the National Leagues have provided its players in achieving these goals. Our program provides an exclusive group of players extra opportunities that they have earned through their stellar play in US Youth Soccer Conference and National League competitions.

Thank you for your understanding in regards to the absence of US Youth Soccer National League players from school during our events. Please feel free to contact me with any questions. I can be reached at nationalleague@usyouthsoccer.org or 440-353-1199.

Sincerely,

Paul Luchowski
