RE: **Conferences Girls Showcase 2020**

Please feel free to share this letter with your schools.

On behalf of the US Youth Soccer Leagues Program, we would like to request the release of all players from your school who are members of Conference teams and set to participate in the 2020 Conferences Girls Showcase event in Lakewood Ranch, Fla., at the Premier Sports Campus on January 10-12, 2020. Our matches begin early morning on Friday and conclude mid-afternoon on Sunday.

The US Youth Soccer Leagues Program has been developed to provide top level teams and their players with extraordinary opportunities to showcase their talents in front of numerous college coaches and National Team scouts, who are charged with identifying and developing the teams that represent the United States in international competitions, such as the Olympics and World Cup. The opportunity provided to the players is great both on and off the field. As we all know, players at the elite level are striving to extend their educational and soccer playing careers to the college level. The US Youth Soccer Leagues Program has assisted its players in achieving these goals for more than a decade. Our program provides an exclusive group of players extra opportunities that they have earned through their stellar play in US Youth Soccer Conferences and/or the National League competitions.

Thank you for your understanding in regards to the absence of US Youth Soccer National League players from school during our events. Please feel free to contact me with any questions. I can be reached at mwilson@usyouthsoccer.org or 469-400-3265.

Sincerely,

Marley Wilson
