

Roster Building – Clubs and Teams

(all information is subject to change 10/6/2020)

This guide can be used by both clubs and teams when building rosters for Conference play. Please be sure to read the Conference Operating Procedures (COPs), Team Information guide, and the USYS National League Program Rules for the rules and policies regarding Conference rosters. If you have any questions after going through this process, please email Jimmy Sparkman (jsparkman@usyouthsoccer.org).

This guide should be followed when an initial roster is built, as well when players are added to the roster after the initial roster submission has been approved. Players will NOT appear on a game card if they are not approved by your state association.

Any roster modifications for weekend games must be made BEFORE 3 PM ET on the Friday before the weekend games. There are no exceptions on this. Any modifications sent after this deadline will not be accepted.
