

## Team Managers & Coaches:

**Welcome to the 2020 USYS Midwest Conference St. Louis Showcase!** We will be using ScoutingZone® as our official scouting/recruiting partner, which connects players and college coaches on the fields at our event. College coaches count on ScoutingZone to deliver accurate roster information, therefore it's a requirement for all participating teams & players to register in SZ. Please follow instructions below ASAP.

Please note that ScoutingZone will be used for all US Youth Soccer regional and national events. If you have registered in the past, your team should already have an account in ScoutingZone. If you are registering for the first time, you will be able to use your account for all future events.

**\*\* Team Managers and Players must be registered by Oct. 23 \*\***

### Is your team NEW to ScoutingZone®?

Have your GotSoccer ID # on hand for the SZ registration process. [www.gotsoccer.com](http://www.gotsoccer.com) is where you can obtain your GS ID. If you DO NOT have a GotSoccer ID #, you can bypass by entering a 4-digit number starting with a 6.

**Note:** GotSoccer and GotSport (which is used by the Midwest Conference) are different platforms. The GotSoccer ID referenced above would come from GotSoccer if your team used it in past competitions. [Click here for a walkthrough of how to retrieve your GotSoccer ID from the legacy system](#) (if applicable to your team).

1. Go to [www.scoutingzone.com](http://www.scoutingzone.com) - Click: REGISTER & Click: MANAGER
2. Enter your club name & select your club from the dropdown
3. Enter the remainder of your details, agree to the terms box & click: Register
4. Next you will be prompted to enter your team details - Click: Create
5. You will then be assigned your SZ Team Code and an email confirmation was sent to you - **Important info:** Forward your SZ Team Code & email confirmation to your players (the player registration instructions are in that email)
6. If you receive a message that states: "Your GotSoccer ID is already taken or invalid" - please email [support@scoutingzone.com](mailto:support@scoutingzone.com)
7. Managers do NOT add players to the roster. Players register themselves using the SZ Team Code you provide them and will auto-populate onto your roster. **SZ roster needs to match your conference roster.** Even committed players need to be listed.
8. Don't forget to join the event - **2020 USYS Midwest Conference St. Louis Showcase** on right side, choose your age group, Click: JOIN

### Is your team ALREADY REGISTERED in ScoutingZone?

1. Go to [www.scoutingzone.com](http://www.scoutingzone.com) and log in to your manager account
2. Players missing from your roster - provide them your SZ TEAM CODE so that they can register. Remove any players no longer on your roster.
3. Don't forget to join the event - **2020 USYS Midwest Conference St. Louis Showcase** on right side, choose your age group, Click: JOIN
4. Managers do NOT add players to the roster. Players register themselves using the SZ Team Code you provide them and will auto-populate onto your roster. **SZ roster needs to match your tournament roster.** Even committed players need to be listed.

ScoutingZone® is here to help if you have any questions! [support@scoutingzone.com](mailto:support@scoutingzone.com)

Thank you,  
Marc Frankland, Midwest Conference League Manager
