

**MRL Must Play Weekend**  
**St. Louis, April 28-29, 2018**  
**Team Info**

**PLEASE REVIEW THIS ENTIRE EMAIL**

**GAME SCHEDULE**

The current game schedule with times is posted on the MRL website. A reminder from our team information at registration and from the scheduling information: *Teams should understand that due to the nature of scheduling of games for teams from across the region that scheduling games for the benefit of a single coach who coaches multiple teams should not be expected. Time conflicts will occur for those coaches that coach multiple teams on MRL weekends and the MRL, as well as the other teams within a division, are under no obligation to assist these coaches with their conflicts.*

**Be sure to double check your division schedule**

The park is located at 2350 Creve Coeur Mill Road, St. Louis MO 63146

No pets allowed.

As you know scheduling for this weekend was very tight.

**--Note: we will also post any weather or field updates on the MRL home page.**

**CHECK IN (Team Check In will be at the main gate of the Lou Fusz Soccer Complex)**

--A team representative must check in your team prior to your first game. We ask that the team manager/representative check in about 45 minutes prior to your first game. **Team Check In will be at the main gate of the Lou Fusz Soccer Complex** and is expected to open around an hour before the first game of the day. Check-In will take place in the garage area the right of the clubhouse (on the map) south of Field 1 and close to the parking lot. Look for the MRL Information banner that will designate the check in area.

**--Check In is very streamlined (only team managers need to check in and at the most this should take no more than a couple of minutes...for new teams to the MRL this is not like a tournament...we do not have to check your team roster at check in. All that is needed are:**

--your referee fees (the entire amount for the weekend **in cash**),

--the 2017-18 Check In form ([https://www.usyouthsoccer.org/assets/1/6/2017-18\\_team\\_check\\_in\\_form\\_\(1\).pdf](https://www.usyouthsoccer.org/assets/1/6/2017-18_team_check_in_form_(1).pdf)) that provides us with emergency contact information.

--Passes, lineup forms, medical releases and copies of your rosters (for the opponent if requested) are brought to the field.

**--At check-in, referee fees for the entire weekend are paid (The Check-In form lists the per game amounts due and the denominations that are required---no checks, CASH only).**

A reminder on Referee Fees: Under 14- \$60 per game per team; Under 15 and 16- \$70 per game per team; Under 17, 18 and 19-\$80 per game per team. **Again, game fees for the entire weekend are expected to be paid in cash at Check In.**

--Line up cards (<https://www.sportsforms.club/mrl-line-up-card-redirect.html>) and player passes etc are reviewed by the referees on the game field. You should also double check your team's game schedule for any last minute field changes.

**--You do not need to turn in any roster at check-in...merely bring a lineup card to each game (using the SportsForms line-up card) and turn in to the referee.**

--Also Ref Reports are provided so no need for teams to bring.

#### **TRAINER**

--A trainer will be on hand at the Soccer Complex to provide taping services and first aid, as well as on a golf cart patrolling the fields. Please bring your own tape.

#### **SEND OFFS-RED CARDS**

--Remember that anyone receiving a Red Card or Sent Off is automatically suspended from the team's next game.

#### **MISCELLANEOUS ITEMS**

Some additional notes about this weekend...

- Be aware that there are limited team benches. Please know that scores and standings will be posted at <http://tournaments.usyouthsoccer.org/events/2018-Spring-MRL/> throughout the weekend.
- We expect to play through any rain as all of these matches are on synthetic surfaces, although severe weather (lightning) may delay games.
- Updates will be posted on the MRL home page in the event of severe weather. <https://www.usyouthsoccer.org/midwest/midwest-regional-league/>
