

Arrival and Parking Instructions for Tournament Sportsplex of Tampa Bay

In order to make your arrival to the Tournament Sportsplex as smooth as possible during the National League event we have put together some arrival and parking instructions. Please pass along these instructions and maps to anyone in your group that will be driving to the complex.

In order to efficiently use all available parking at the complex and keep traffic flows appropriate please follow these instructions for which direction you will enter the Sportsplex. Cars will only be able to make a right turn into the complex driving West on E Columbus Dr. Traffic will not be allowed to make a left-hand turn into the entrance of the complex if coming East on E Columbus drive. Therefore, you will want to take N Falkenburg Road to E Columbus Drive. If you arrive from the West, you will be directed down E Columbus drive to make a U-turn which will allow you to make a right turn into the complex entrance. Please refer to the below specific directions from various points around Tampa that will assist you in the arrival process.

In the unlikely event that all onsite parking is full and there will be a need for offsite parking. Please refer to the Sportsplex Overflow Parking Options map to familiarize yourself with the PSOC lot. This lot is within walking distance of the complex and there is sidewalk leading to the entrance. Please note that a drop off zone is not available at the complex, if the parking lots are full all cars will be directed to the overflow parking. Please allow enough time for your arrival.

Law enforcement officers and video messaging boards will be available to help with real-time parking information throughout the day. National League will also send alerts as needed through twitter.
