

Applying for the US Youth Soccer National League Conferences in GotSport

This guide can be used when registering for the US Youth Soccer Piedmont Conference. If you have any questions after going through the registration process, please email Scott Belton (sbelton@usyouthsoccer.org).

1. To retrieve the link to register, please see your conference overview document.
2. Once you access the registration form, you will be prompted to login to your existing GotSport account (option 1 in the screenshot below) or to create a new account (option 2 in the screenshot below). If you create a new account, continue to Step 3. If you have an existing account and can login, skip ahead to Step 4. Please double-check with any other coaches/managers associated with your team to ensure they have not already created an account for your team.
 - a. GotSport is different from GotSoccer, so if you have not used the new system before, you will need to create a new account. Your login information from GotSoccer will not work in GotSport.

3. Any items with an asterisk (*) are required, but it is highly encouraged to enter all information as you will need to enter this information later in the application process.
 - a. If your club does not appear in the list, please send an email to sbelton@usyouthsoccer.org with the name of the club and the state the club is associated with. Once you have sent the email with this information, please allow 1-2 business days for the club to be loaded into the system so it appears in the drop-down list. You will receive an email when it is available in the drop-down list.
 - b. The email you enter under the Email/UserID field will be your username for login. Be sure to make a note of the email address and password you use as this login information will need to be used throughout the season to make updates to the team's roster, coach, manager, and submitting forms.

- c. The Club you choose in the drop-down list cannot be changed once you sign up for an account, so be sure to choose the correct club when creating your account.
4. If you have created a team within your account already, it will appear on the left-side of the screen with a Register button next to their name. If you have already created the team, click Register and skip to Step 8. If you have already begun the application process with a team, there will be a Continue button instead of a Register button. You can click it and your information from the previous attempt to register will be saved.

The screenshot shows the 'Register' page. On the left, under 'My Teams', there is a team entry for 'USYS Test Coach' with a 'Register' button highlighted by a red box. On the right, the 'Search Teams' section contains a search form with fields for 'Team' (Search Team Name), 'Club' (dropdown), 'Gender' (All), and 'Age' (Open), and a 'Search' button.

5. If you have not created a team, on the right-side of the screen, use the Search Teams block. Select the Club the team is associated with, along with the Gender and Age Group for the 2021-22 seasonal year (birth year chart for 2021-22 is below). Make sure the age group you select is the age group you will be placed in for the event. The Club you choose must be the same club you chose when you created your account. Once you have selected the club, gender, and age group, type in the team name under Team and click Search. If your team appears in the search, please contact other individuals tied to the team as this means the team has already been created and, possibly, registered for the event already. Be sure to select the correct Club as it cannot be changed past this point.

Any items with asterisk (*) at the beginning of the question is required. Click Save and Continue when it is all completed and correct.
11. The third page of the registration form contains disclaimers that must be read thoroughly and checked to show you agree. All are required. Click Save and Continue when it is all completed.
12. The fourth page of the registration form contains disclaimers regarding the USYS National League Showcase Series that must be read thoroughly and checked to show you agree. All are required. Click Save and Continue when it is all completed.
13. The final page of the registration form will start with asking for you to list the Club Contact that will act as the point person for all teams within your club for questions on the GOTSPORT platform. Please check with your club before listing the contact to be sure the same contact will be listed by every team within your club. This club contact will be the first person a team official goes to should there be a question or issue regarding the GotSport platform. GotSport Team Registration and Roster Building Walkthroughs will be available on the conference webpage and they will be updated throughout the season should any changes happen with those processes. Teams are encouraged to frequently check the Team Information tab on the conference webpage to see if any updates have been made to these documents. The rest of the registration page contains questions regarding your team’s/club’s social media information (if applicable). Any items with asterisk (*) at the beginning of the question is required. Click Save and Continue when it is all completed and correct.
14. The next step may bring you to a roster review section to add/confirm team officials to your team’s GotSport account. It is important to add at least the coach and the team manager as team officials to the team.
15. “Fee Selection” is the next step. In this step, you will see the conference fees that apply to your team. There is only one form of payment to choose from: credit card payment. Once you select the credit card option, you will eventually enter your card information and your payment will cover the processing fee.
 - a. NOTE FOR CREDIT CARD PAYMENTS: Your credit card will remain on file with your application. Your card WILL NOT be charged until the decision is made on what teams are accepted into the

Conference. If your team is accepted, your card will be charged through GotSport, immediately marking your application fee as paid. If your team is not accepted, your card will not be charged.

16. The final step of registration is the Cart. Click Checkout if you are only registering one team at this moment. If you have another team to register, click Register Another Team on the right-side of the page. If you have another team to register, go back to Step 4 of this guide to register your other team(s).

17. After you have clicked Checkout, you will be taken to a page where you verify your payment.

a. Since you will be submitting your payment by credit card, you will see your grand total at the top of the page. Below this will be a section where you can enter your credit card and billing information. After entering this information, there are Payment Terms immediately below the billing information that you must agree to. Once everything is entered and you've agreed to Payment Terms, click Pay at the bottom of the page to submit your registration. You will receive a confirmation email shortly after clicking Pay.

i. Reminder: Your credit card will remain on file with your application. Your card WILL NOT be charged until the decision is made on what teams are accepted into the Conference. If your team is accepted, your card will be charged through GotSport, immediately marking your application fee as paid. If your team is not accepted, your card will not be charged.
