

Applying for the USYS Leagues Program in GotSport

This guide can be used when registering for the USYS Leagues Program. If you have any questions after going through the registration process, please email Paul Bayly, pbayly@usyouthsoccer.org

1. To retrieve the link to register; https://system.gotsport.com/event_regs/b56392fd3d
2. Once you access the registration form, you will be prompted to login to your existing GotSport account (option 1 in the screenshot below) or to create a new account (option 2 in the screenshot below). If you create a new account, continue to Step 3. If you have an existing account and can login, skip ahead to Step 4. It is recommended you double-check with any other coaches/managers associated with your team to ensure they have not already created an account for your team.
 - a. GotSport is different from GotSoccer, so if you have not used the new system before, you will need to create a new account. Your login information from GotSoccer will not work in GotSport.

The screenshot shows the "Register" page on GotSport. At the top, it says "Register" and "You must have a GotSport account to register. Sign in or create an account below to get started." Below this is a login form with two input fields: "Email/UserID" and "Password". A blue "Log In" button is below the fields. A link "Forgot Password?" is also present. A red box highlights the login form, with a large red "1" next to it. Below the login form is a blue box containing the text "Dont Have An Account? CREATE AN ACCOUNT" with a large blue "2" next to it.

3. Any items with an asterisk (*) are required, but it is highly encouraged to enter all information as you will need to later in the application process.
 - a. The email you enter under the Email/UserID field will be your username for login. Be sure to make a note of the email address and password you use as this login information will need to be used throughout the season to make updates to the team's roster, coach, manager, and submitting forms.
 - b. The Club you choose in the drop-down list cannot be changed once you sign up for an account, so be sure to choose the correct club when creating your account.

4. If you have created a team within your account already, it will appear on the left-side of the screen with a Register button next to their name. If you have already created the team, click Register and skip to Step 8. If you have already begun the application process with a team, there will be a Continue button instead of a Register button. You can click it and your information from the previous attempt to register will be saved.

The screenshot shows the 'Register' page. On the left, under 'My Teams', there is a team named 'USYS Test Coach' with a 'Register' button highlighted by a red box. On the right, under 'Search Teams', there is a search form with fields for 'Team' (Search Team Name), 'Club' (dropdown), 'Gender' (All), and 'Age' (Open), and a 'Search' button.

5. If you have not created a team, on the right-side of the screen, use the Search Teams block. Select the Club the team is associated with, along with the Gender and Age Group for the 2020-21 seasonal year. The Club you choose must be the same club you chose when you created your account. Once you have selected the club, gender, and age group, type in the team name under Team and click Search. Be sure to select the correct Club as it cannot be changed past this point.

This is a close-up of the 'Search Teams' form. The 'Team' field contains 'USYS Test', the 'Club' dropdown is set to 'Nationals SC', the 'Gender' dropdown is set to 'All', and the 'Age' dropdown is set to 'U15'. A red box highlights the 'Team' and 'Club' fields, another red box highlights the 'Gender' and 'Age' fields, and a red arrow points to the 'Search' button.

If you have another team to register, click Register Another Team on the right-side of the page. If you have another team to register, go back to Step 4 of this guide to register your other team(s).
15. After you have clicked Checkout, you will be taken to a page where you verify your payment. The next step depends on what fee you choose in Step 13. Choose the Pay by Credit Card option, continue to point A below. The grand total of your team registrations will appear on the right-hand side.
 - a. When you choose the Pay by Credit Card fee in Step 13 and clicked Checkout in Step 14, you will see your grand total at the top of the page. Below this will be a section where you can enter your credit card and billing information. After entering this information, there are Payment Terms immediately below the billing information that you must agree to. Once everything is entered and you've agreed to Payment Terms, click Pay at the bottom of the page to submit your registration. You will receive a confirmation email shortly after clicking Pay.
 - i. NOTE: Your credit card will remain on file with your application. Your card WILL NOT be charged until the decision is made on what teams are accepted into the Conference. If your team is accepted, your card will be charged through GotSport, immediately marking your application fee as paid. If your team is not accepted, your card will not be charged.
