Re: 2022 USYS Futsal National Championships

After considering State Association feedback, current advisories and following much review, USYS has made the difficult decision to postpone our Inaugural USYS Futsal National Championships event from February 2022 to February 2023. As you are aware, an indoor event of this magnitude poses far greater health and safety concerns than a comparable outdoor event. We have made this decision out of respect for those concerns.

Please be advised that this decision by no way impacts our upcoming USYS outdoor events. It does however represent our commitment to our members to provide a safe and healthy playing environment for all our children and families, and a renewed commitment to make our inaugural 2023 USYS Futsal National Championships an exciting, vibrant, and worthy event for all members of the USYS Family.

We would like to thank all our Futsal participants for your ongoing support of USYS as we manage our programming given the current health environment.
