

Welcome to the Fall 2020 season. We are excited to welcome you to our SCUFC Complexes and hope that you enjoy your visit to the Columbia Area.

COVID-19 Field Protocols

Our club has created protocols to keep all players, coaches, and spectators safe.

Below is what you need to know when you are visiting our fields:

- Please wear a mask/face covering inside the complex at all times.
- Spectators are asked to watch the game 6 feet apart from each other, unless you are in the same household.
- When possible players and spectators from the same team will be seated on the same side of the field. However, when field layout prohibits this from occurring alternate guidelines will be put into place.
- Please do not touch or sit on the bleachers, we ask that you bring your own chair for sitting.
- No team benches (pop-up or metal) will be allowed.
- No tents allowed.
- Please do not let children wonder around the complex unsupervised during the games.
- Spectators should remain in the car until 10 minutes before Kick Off.
- No community hydration stations will be available.

General Field Rules

- We are a tobacco and alcohol free facility
- No Pets allowed
- No climbing or hanging on goals

Places to Eat

While visiting from out of town you may be looking for a place to grab a quick bite to eat.

Below are some options close to our fields.
