

## **HQW TO CREATE A GOALKEEPER DEVELOPMENT PROGRAM WITHIN YOUR ORGANIZATION**

Creating an infrastructure that can identify, educate, develop and produce outstanding goalkeepers and goalkeeper specialists.

### **HOW**

By implementing a vertically integrated Goalkeeper System that will create various comprehensive educational and training programs for all levels.

### **MISSION**

Create a Blue Print that provides a process for success for developing Outstanding Goalkeepers and Coaches at all Levels by developing a Tradition of Excellence with a holistic approach.

### **GOAL**

By integrating and respecting individual differences and commonalities with the ultimate goal to unlock the magic and potential of every goalkeeper and coach.

### **CONVICTION**

Is to foster human growth and goalkeeping development with synergy. With respect and positive energy to impact their future on and off the pitch. The joy of participation and learning produces success.

### **STRATEGY**

- Youth Development
- Professional Development
- Goalkeeper Coaches Education
- The Process and the Solution
- Scouting Process
- Identify Scouting Network
