What does excellence “look Like?”

- Technique **Sam: I'll solicit this from the group.**
- Tactics

It isn't the Players, it's the Coach

- Can we be John Wooden?
 - ✓ Can we do fewer things better?
 - ✓ Can we obsess on things others think unworthy of attention?

How do we “teach” creativity?

- Creativity is often practice in disguise. To get more of it, it helps to automate other things
- It is all but impossible to have higher order thinking with out strongly established basic skills.

Perfect Practice

- “Never mistake activity for achievement.”
 - ✓ Catnip
- To practice success ...simplify
 - ✓ Simple, repeatable actions
 - ✓ Power of small things

Perfect Practice

- “Chunking”
- “Doubling Down” on difficulty
