**Section 2. Categories.** USYSA shall have the following membership categories:

**A. Organization Members.**

1. **Affiliate.** To qualify for affiliate membership, an organization shall be a youth sports organization that conducts soccer programs in at least five (5) states of the United States.

Section 4. Terms of Membership.

A. Membership Year.

1. Organization and Individual Member. The term of membership of an organization
or individual member is for one seasonal year. However, if the member is admitted
and the membership is effective before the beginning of the next seasonal year, the
initial term of membership for that member is for the balance of the seasonal year.
Membership automatically renews each seasonal year as long as the member remains
in good standing with USYSA, which includes: (1) being current with player
registration fees, (2) not having any outstanding fines or suspension, and (3) being
compliant with USYSA policies.

2. Sustaining Member. The term of membership of a sustaining member is for one
year from the date their membership is effective. Membership automatically renews
on their membership anniversary date as long as the member remains in good
standing with USYSA, which includes: (1) being compliant with USYSA policies
and (2) not having any outstanding fines or suspension.

B. Provisional Membership.

1. For organization membership requiring National Council approval, the board of
directors may grant to, deny, or withdraw provisional membership from, an applicant
applying for organization membership until the next meeting of the National
Council. The application shall be submitted to the National Council at its next
meeting.

2. An applicant granted provisional membership as an organization member has all the
rights and responsibilities of that classification of organization member granted
except that the provisional member may not vote.

3. Provisional membership is terminated at the end of the National Council meeting at
which the applicant’s membership is considered unless the National Council further
extends the period of provisional membership or the applicant’s application for
membership is approved by the National Council.

C. Change in Status. With the consent of the board of directors, an organization member
may change its organizational structure without losing its membership in USYSA.
However, if the change in the organizational structure is of such a nature that it would
change a member from one classification of organization member to another
classification of organization member, the member must apply for that new classification
of organization member of USYSA as a new member of USYSA. For any merger of
state associations or any change in geographic boundaries within one or more state
associations, the impacted state association(s) must submit a formal application for
approval by the National Council.

A member’s resignation does not relieve the member of any obligation to pay any fees that had been accrued and were unpaid before the effective date of the resignation.

C. The board of directors may immediately suspend any member of USYSA when the member’s conduct is determined by the board to be illegal, a violation of USYS policy, bylaws and/or the Code of Conduct.
