On behalf of US Youth Soccer, congratulations on qualifying for the 2025 US Youth Soccer Eastern Presidents Cup! This is an incredible accomplishment towards your goal of advancing to the 2025 US Youth Soccer National Presidents Cup in Tampa, Florida to compete for a National title.

We have been busy preparing for your arrival with our host, the Eastern Pennsylvania Youth Soccer Association, to help ensure a memorable experience for you in Valley Forge, Pennsylvania.

There is an abundance of information in this guide to help prepare for your trip to Valley Forge. In addition, please visit USYouthSoccer.org periodically for the latest event information. We will update the website leading up to and throughout the event.

The final game schedules will be available upon completion of all state qualifying events (on or around Monday, June 9th). The [preliminary game schedules](#) are currently available on our website. Please note that schedule change requests will not be honored, so please make travel arrangements accordingly.

It is important that your team is registered for the event and your team's roster submitted for approval prior to the deadline provided by your State Association in the [GotSport platform](#).

Should you have any additional questions, your first point of contact is always your State Representative. We look forward to seeing you in Valley Forge!

Sincerely,

Beth Noss
US Youth Soccer Eastern Presidents Cup Program Manager

Generally accepted light colors include, but are not limited to, white, light grey, sand, sky blue, yellow, gold, pink, and light green. Generally accepted dark colors include, but are not limited to, black, dark grey, dark brown, navy blue, red, maroon, dark green and deep purple.

- The home team (listed first in the schedule) is required to wear their light color jersey and socks.
- The away team (listed second in the schedule) is required to wear their dark color jersey and socks.
- Matching shorts **are not** required. The same color shorts can be utilized for both uniforms.

If, in the opinion of the referee, there is a jersey or sock color conflict, the **team causing the conflict** must change. The referee's decision is final. Any failure to comply may result in sanctions and/or fines levied against the offending team. **Reminder, teams are required to bring both color uniforms and socks to all matches.**

Uniforms numbers must be a minimum of six (6) inches in size. Each field player must have a number permanently affixed to the back of their jersey which must be clearly visible. **Duplicate and/or taped numbers are not permitted.** Goalkeepers must wear colors that distinguish them from other players and referees. Numbered jerseys for goalkeepers are optional; however, are recommended.

UNIFORM LOGOS, MARKINGS & SPONSORS

At every level of the National Presidents Cup competitions, a player or team official at a game site to participate in a game or associated activity of the competitions may only have on the outerwear of the player or team official a name, logo, or other identifying mark of a youth soccer organization that is US Youth Soccer, a State Association or other member of US Youth Soccer, a member of a State Association, or an organization that is a member of an organization that is a member of a State Association. **A name, logo, or other identifying mark of any other youth soccer organization must be removed, replaced, or covered before the player or team official may continue to remain at the game site for the game or associated activity.**

If a player or team official chooses not to remove a name, logo, or other identifying mark of any other youth soccer organization, it must be completely covered by another patch. At the event, USYS can supply semi-permanent patches to cover non-compliant markings or logos. The cost is \$75.00 per team (for 44 patches) or \$3.00 per patch, payable in cash. **Covering non-complaint marks with tape is not permitted.**

A player or team official is not prohibited from having a mark or name on clothing being worn at a match, provided that it is related to an item or service that is appropriate for youth. Any inappropriate mark or name must be removed, replaced, or covered before the player or team official may continue to participate in the match. Examples of inappropriate marks or names would be tobacco products, alcoholic beverages, etc. If there are any questions about a logo, marking or sponsor, it is **strongly** suggested that you inquire well in advance of the start of the event to avoid an issue at the field.

Please note that these policies will be strictly enforced for participants at all levels of the US Youth Soccer National Presidents Cup competitions.

UNIFORM PATCHES

As teams advance through the US Youth Soccer National Presidents Cup competitions, they may be presented with State Champion uniform patches. The State Champion patches are optional and **are not required** for the Regional Presidents Cup competition. Before a team affixes any of these patches to their uniforms, be aware that teams that advance to the National Presidents Cup competition **must wear the National Presidents Cup patch** they will be provided, as outlined below. Although teams may utilize any other patches they were presented if they choose, it is recommended that teams leave sufficient space for the National Presidents Cup patch.

Important: ***All team member uniforms must have each patch permanently affixed in the same location.***

Patches may be placed:

- On the right or left sleeve of the jersey, approximately 1" above the bottom edge of the sleeve with the patch facing outwards. For long sleeve jerseys, (for example a Goalkeeper jersey) place the patch in approximately the same spot as if it were a short sleeve jersey.
- On the right or left leg of the shorts, approximately 1" above the bottom edge of the hem with the patch facing forward.

These options are provided in order to avoid conflict with sponsor logos, player numbers, etc. However, as outlined above, ***all uniforms must have each patch permanently affixed in the same location.***

Central hydration refilling stations will be provided at the Plymouth Whitemarsh stadium and another at Victory 1. Proving Grounds stations will be located at the upper and lower buildings. Players must provide their own containers to refill.

REFEREES

Just as teams earned the right to compete at the Eastern Region Presidents Cup, the referees have also earned their place, based on recommendations and accomplishments from within their state. At this competition, referees compete to earn the honor of attending the National Presidents Cup based on their performance. The referees are supported by senior referees and mentors who contribute to their development by guiding them in post-match reflections. Please refrain from criticizing the officials throughout the competition.

SPECTATORS

Parents and/or spectators who can reasonably be considered to be affiliated with a team are considered a part of that team, and the actions of those individuals are the responsibility of the credentialed team officials appearing on the roster.

No spectators are permitted anywhere behind the goal line during a match. The spectator area is located on the opposite side of the field from the technical/bench area. Spectators must remain in the half of the field directly across from their team's bench, subject to the following exception.

It is expected that respect for the game and players will prevail if a limited number of spectators wish to quietly observe the match in the far end of the opposing spectator section (for example, the Goalkeeper's parents). In the event of disruptive behavior by these spectators, a referee or tournament official may require them to return to their designated area and restrict any further sideline movement of spectators.

Technical instruction, provocative or unsportsmanlike behavior by any spectator may result in 1) their removal from the complex or 2) the removal of ALL spectators, either from one or both teams, for the remainder of the match. Any spectators asked to leave by law enforcement, security, referees, or any other event official must immediately depart the field area and remain out of sight and sound of the match. Ejected spectators may not return to the field at the conclusion of the match. The actions of spectators could result in disciplinary action imposed upon the team, up to and including disqualification from the competition.

Whistles, air horns, megaphones, artificial noisemakers and/or similar devices are prohibited at all National Presidents Cup competitions. Air horns are for use solely by tournament officials to signal when fields must be cleared due to inclement or dangerous weather conditions.

- Following that meeting, coaches may bring their team to the touchline to advise that additional incidents may result in an immediate ejection, a temporary suspension of the match, the match being abandoned and/or teams being removed from the competition.
- Play will be restarted and time added to account for the delay.
- Event Staff will remain at the field for the duration of the match to monitor and take action if necessary.

- At the next stoppage of play the Referee will direct players to go to their respective benches.
- The Referee will bring the Head Coaches from both teams, the Referee crew and responding Event Staff to an area away from the benches.
- Both Head Coaches will be advised of what was reported, and if identified, the spectator that said it.

- If the offending spectator was not identified, the Head Coach will be requested to ask their spectators to assist in identifying the offending spectator.
- If the offending spectator is identified, Event Staff will inform the spectator they must leave sight and sound of the field before the match will resume. Security will intervene if the spectator refuses to comply.
