

As we near the 2025 US Youth Soccer National Championships, we ask that you begin the waiver process for Walt Disney World's ESPN Wide World of Sports. All participants of a team must complete one of the accompanying waivers dependent on age.

To make the check-in process as smooth as possible, here are some reminders and tips for filling out the waivers.

- Waivers will need to be submitted at team check-in on Sunday, July 20th. Any teams training at ESPN Wide World of Sports Complex will need to submit waivers at team check-in before entering the complex for their trainings.
- Participants aged 18 or older must fill out an Adult Waiver Form, regardless of if the participant is an athlete.
- Waivers must be filled out in blue or black ink only. Colored ink will not be accepted.
- All waivers must be printed. Electronic copies will not be accepted.
- All pages of each waiver must be included and single sided.
- Each page must be printed clearly and without holes or parts cut off. Photos of waivers will not be accepted.
- Each page of the waiver must be submitted, but most importantly it must be signed.
- Signatures must be physically signed and cannot have print/typed signatures.
- Adult Waiver Forms must be signed by the individual.
- Minor Waiver Forms must be signed by the parent/guardian of the participant; minors cannot sign their own waiver.
- Teams that do not complete the waivers correctly will not be allowed access into the complex. All participants (athletes, coaches, and managers) of a team must complete a waiver.
