General Information

Games:

Teams should come to the fields dressed in game uniforms on game days. Tents will be provided at each field for shade protection. After each game, please leave your bench area in the same condition as when you arrived -- clean. Bathroom facilities are located throughout the complex.

Each team receives up to four (4) credentials for bench personnel. Each Team Representative will receive their credential (the Team Representative is not included in the four (4) count). Water will be available at hydration stations around the complex.

Head Injuries Follow Rule 242 (sec 3) (3):

If a player is suspected of suffering a head injury, they may be substituted for evaluation without the substitutions counting against the team's total number of allowed substitutions during each half or overtime period. If the player with the suspected head injury has received clearance from the events' Health Care Professional, the player may re-enter at any stoppage of play. The evaluated player must replace the original substitute and will not count as a substitution. The temporary substituted player may re-enter the game as a regular substitute. A team may only make a temporary substitution if they have a substitution available.

If the temporary substitute is sent off during the evaluation period, the evaluated player may not return at the same halt of play in a limited reentry age division.

General Information

Team Trainers

A Team Trainer will receive a separate credential allowing secondary medical support in the event of a team injury. This credential will allow bench area presence if there are 3 or fewer issued bench passes. The Team Trainer should be a Certified Athletic Trainer or similar accreditation with a US Youth Soccer member pass. Team Trainers are secondary in supplying medical support as the Event Athletic Trainers and Medical staff are the primary. If a Team Trainer starts medical attention until the Event Medical arrives, the Team Trainer must relinquish attention once the Event Medical staff arrives.

Scoring

The standings of teams within brackets are based on the number of points earned in qualifying games. Teams earn points as follows:

Three points for a win (including forfeits")

One point in a tie.

Zero points for a loss.

** Forfeits are considered a 3 - 0 victory for the non-forfeiting team.*

Tiebreakers

In the event teams are tied based on points earned, the team's placement will be determined by the following sequential criteria.

- Winner of head-to-head competition (these criteria are not used if more than two teams are tied.)
- Winner of most games.
- Goal differential (goals scored minus goals against) with a maximum of five (5) goals per game.
- Fewest goals allowed.
- Kicks from the penalty mark (as described in National Championships Rule 242 Section 2 (c)).

NOTE: If more than two teams are tied, the sequence will be followed until a team is eliminated/advanced. The remaining teams will then restart the sequence **at Point "b"** above until the tie is broken.

UNIFORMS

Teams should be aware of the following uniform color requirements during the National Championship pathway. Teams listed first on the schedule are the home team. Please bring both sets of uniforms to the fields. If there is a conflict, as decided by the referees, the home team will be required to change.

- Home team - Light Colored Uniforms
- Away team- Dark Colored Uniforms

Duplicate numbers and taped numbers are not permitted during competition.

UNIFORM LOGOS, MARKINGS & SPONSORS

At every level of the National Championship Series competitions, a player or team official at a game site to participate in a game or associated activity of the competitions may only have on the outerwear of the player or team official a name, logo, or other identifying mark of a youth soccer organization that is US Youth Soccer, a State Association or other member of US Youth Soccer, a member of a State Association, or an organization that is a member of a State Association. **A name, logo, or other identifying mark of any other youth soccer organization must be removed, replaced, or covered before the player or team official may continue to remain at the game site for the game or associated activity.** If a team chooses to not remove a name, logo, or other identifying mark of any other youth soccer organization, it must be completely covered by a sewn-on patch.

Per the US Youth Soccer Policy on Players and Playing Rules Rule 304, Section 2: “A team member is not prohibited by US Youth Soccer from having a mark or name, or both, on any part of the team member’s uniform being worn at a game if the mark or name is related to an item or service that is appropriate for youth.” “Any inappropriate mark or name on a team member’s uniform must be removed, replaced, or covered before the team member may continue to participate in the game.”

Examples of inappropriate marks or names would be tobacco products, alcoholic beverages, etc. If there is any question about a logo, marking, or sponsor, it is strongly suggested that you inquire well in advance of the start of the event in order to avoid an issue at the field.

Please note that these policies will be strictly enforced for participants at all levels of the US Youth Soccer National Championship competitions.

REFEREES

Just as teams earned the right to compete at this Far West Regional Championships competition, the referees have also earned their place, based on recommendations and accomplishments from within their state. At this Far West competition, referees compete to earn the honor of attending the National Championships based on their performance. The referees are supported by senior referees and mentors who contribute to their development by guiding them in post-match reflections. Please refrain from criticizing the officials throughout the competition.

SPECTATORS

Parents and/or spectators who can reasonably be considered to be affiliated with a team are considered a part of that team, and the actions of those individuals are the responsibility of the credentialed team officials appearing on the roster. No spectators are permitted anywhere behind the goal line during a match.

The spectator area is located on the opposite side of the field from the technical/bench area. Spectators must remain in the half of the field directly across from their team's bench, subject to the following exception. It is expected that respect for the game and players will prevail if a limited number of spectators wish to quietly observe the match at the far end of the opposing spectator section (for example, the Goalkeeper's parents). In the event of disruptive behavior by these spectators, a referee or tournament official may require them to return to their designated area and restrict any further sideline movement of spectators. Technical instruction from any part of the spectator area, and provocative or unsportsmanlike behavior by any spectator may result in their removal from the complex.

Any spectator asked to leave by a referee or tournament official must immediately depart the field area and remain out of sight and sound of the match until the teams have departed the field of play and are no longer the responsibility of the referee. Any individual removed may not return to the field at the end of the match.

Whistles, air horns, megaphones, artificial noisemakers, and/or similar devices are prohibited at all National Championship Series competitions. Air horns are for use solely by tournament officials to signal when fields must be cleared due to inclement or dangerous weather conditions.

STATE NCS PATCHES

If your region provided NCS State Cup Champion patches to teams, they should be placed on the left sleeve of the jersey, approximately 1" above the bottom edge of the sleeve with the patch facing outwards. For long sleeve jerseys, (for example a Goalkeeper jersey) place the patch in approximately the same spot as if it were a short sleeve jersey.
