Every match matters. Every moment counts.

Registration and Scheduling

All teams will complete registration through **GotSport**. The official registration link will be opened and shared with qualified teams shortly— please be on the lookout for that communication and complete all required steps by the deadline.

The official event schedule will be released on July 1.

Additional details and reminders will be communicated as we get closer to the event.

Travel & Hotels

US Youth Soccer's official travel partner, On Location, will be coordinating all championship hotel accommodations. More information regarding booking timelines, Stay-to-Play requirements, and hotel options will be communicated directly. Please do not secure hotels independently.

Important Team Responsibilities

As you prepare for the National Championships, teams must work directly with their State Association to complete the following:

- Roster submission and player eligibility (via **GotSport**)
- Team payments and entry requirements
- State-specific procedures and deadlines
- Any additional administrative requirements

Your State Association is your primary point of contact for these items and will guide you through the process.

More Information

Event details, schedules, rules, travel information, and updates will be posted on the official National Championships website at www.USYOUTHSOCCER.org.

This is more than a tournament — it's the culmination of a season of commitment, sacrifice, and belief. We cannot wait to welcome you to the **2026 US Youth Soccer National Championships** and celebrate everything your team has accomplished.

Prepare. Compete. Chase history.

We'll see you this summer.
