RE: Mid Atlantic Presidents Cup National Qualifier Teams

**Please feel free to share this letter with your school**

On behalf of the US Youth Soccer, we would like to request the release of all players that are members of Mid Atlantic Presidents Cup National Qualifier teams from your school to participate in our event during June 2026. We realize the importance of a player's education and strive to accommodate the academic calendar that varies from state to state, as much as possible, while also being cognizant of the financial impact that participating in a regional program has on families. Regrettably, our schedule may result in a limited number of days missed from school.

The US Youth Soccer Mid Atlantic Presidents Cup National Qualifier has been developed to provide elite level teams and their players with extraordinary opportunities to showcase their talents in front of college coaches and National Team scouts who are charged with identifying and developing and the teams that represent the United States in international competitions such as the Olympics and World Cup. The opportunity provided to the players is great both on and off the field. As we all know, players at the elite level are striving to extend their educational and soccer playing careers to the college level. Our event provides an exclusive group of players extra opportunities that have earned through their stellar play in US Youth Soccer State and Regional competitions. The date of our competition will be (please know to allow for a travel day before and after the competition days): June 11th – June 14th, 2026.

Thank you for your understanding regarding the absence of US Youth Soccer Mid Atlantic Presidents Cup National Qualifier players from school during our event. Please feel free to contact me with any questions. I can be reached at [tgonzalez@usyouthsoccer.org](mailto:tgonzalez@usyouthsoccer.org).

Sincerely,

Tyrone Gonzalez
